February 2016 Update

Shared Use Path
Paved 8 ft. to 16 ft. wide path open for two-way use by pedestrians, cyclists, and equestrians.

Bike Route
On lower volume street, with "Bike Route" signs. Maximum speed limit of 30 mph.

Bike Route with Striped Shoulder, Bus / Bike Lanes
On major street with white edge line, approx. 4 ft. to 12 ft. wide paved shoulder, with speed limits of 25 mph or more. Includes Bus/Bike Lanes on major streets that are 10 ft. to 12 ft. wide.

Residential Streets
Residential and collector streets with maximum speed limit of 35 mph.

Key Connecting Streets
Streets that provide connectivity on popular bicycling routes. May be acceptable for experienced riders. These streets have more traffic, higher speeds and less width. Choose streets appropriate for your abilities.

Major Streets
Major streets with no bike lanes or paved shoulders.

Planned Improvements
Roadway or bikeway planned for improvement or under construction. Consider alternate routes during construction. Call (520) 724-BIKE for more information.

Bike Boulevards
Low-volume and low-speed streets optimized for bicycle travel with traffic reduction, signage, and intersection crossings.

The Loop
When completed, The Loop will be 130 miles of shared use paths and bike lanes connecting the Rillito, Santa Cruz, and Pantano River Parks with the Julian Wash and Harrison Road Greenways. Segments are being completed every day. Stay up-to-date on developments on The Loop by visiting: **www.pima.gov/TheLoop** or **www.facebook.com/rideTheLoop**

Bike Trailheads and BMX Tracks

Bicycling hours are restricted within Sabino Canyon. No riding on Wednesday or Saturday anytime. Bicycling is allowed before 9 a.m. and after 5 p.m. all other days. For information, call Coronado National Forest at (520) 749-8700.

Paved shoulder uphill only

For more information call Saguaro National Park at (520) 733-5100.

Bicycling is permitted on Interstate 10 shoulder east of Kolb Rd.

Downtown

Check local conditions when planning a bicycle trip

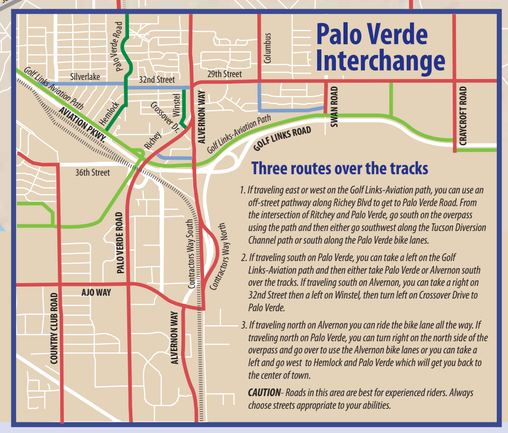
Palo Verde Interchange



Three routes over the tracks

1. If traveling east or west on the Golf Links-Aviation path, you can use an off-street pathway along Richey Blvd to get to Palo Verde Road. From the intersection of Ritchey and Palo Verde, go south on the overpass using the path and then either go southwest along the Tucson Diversion Channel path or south along the Palo Verde bike lanes.
2. If traveling south on Palo Verde, you can take a left on the Golf Links-Aviation path and then either take Palo Verde or Alvernon south over the tracks. If traveling south on Alvernon, you can take a right on 32nd Street then a left on Winstel, then turn left on Crossover Drive to Palo Verde.
3. If traveling north on Alvernon you can ride the bike lane all the way. If traveling north on Palo Verde, you can turn right on the north side of the overpass and go over to use the Alvernon bike lanes or you can take a left and go west to Hemlock and Palo Verde which will get you back to the center of town.

CAUTION- *Roads in this area are best for experienced riders. Always choose streets appropriate to your abilities.*
