Sharron, Kiki & Staff.

First of all the 1Year anniversary event at K.T.L was a huge success, Far exceeding what we had in mind. We missed having you there, I hope all is well with you and your family, our Prayers were and are with you and your family.
As you requested here is a breakdown of approximately ½ of the expenses to bring (KORY LAOS B.M.X MEMORIAL BIKE PARK) up to speck's for all the spectators, Riders, and general Safety precautions for the 1 Year Anniversary event. I only included ½ because I did not want to impose on you After all this is my event, We would like to THANK you for anything you and your staff can help with especially since there is only one paycheck in my household now.
