Dear Supervisor Bronson,

September is Love of Literacy month at the Children's Museum Tucson! Throughout the month, the Museum will feature specialized programming with hands-on educational activities that focus on literacy. The month will be highlighted by a free one day literacy celebration at the Museum on Saturday, September 28th from 10 am - 2 pm.

The Children's Museum Tucson will partner with outside organizations to supplement our own literacy based programming and offer our visitors unique and diverse learning experiences all month long. In addition to interactive literacy activities, we will also feature storytelling performances.

I am writing today to ask for your consideration of financial support for Love of Literacy. It is only through our partnerships and collaborations that the Museum is able to offer free admission to the community for events such as Love of Literacy. Every contributed dollar is significant and I hope you will consider supporting Love of Literacy with a $500 contribution to help underwrite the costs of the event and free admission.

I have attached a flyer on Love of Literacy for your review. The flyer also lists the 14 organizations that the Museum has partnered with for the September 28th event. In the meantime, thank you very much for your consideration of our request. I would also like to reiterate my appreciation for your ongoing support of the Children's Museum Tucson. Please do not hesitate to contact me at (520) 792-9985 ext. 104 if you have any questions or require any additional information.

Kind regards,

Michael J. Luria
