Re: **Canoa Hills Open Space and Passive Recreation Park**

The County received the donation deed and land gift from the present owner to the Canoa Hills Golf Course on December 26, 2018. This property will be reconfigured for use as a natural resource open space park for the residents of Green Valley. The Regional Flood Control District is assuming ownership since much of the property lies within regulatory floodplains. Our initial work on the park will be weed and vegetation management, signage and improving pathway function and safety.
