Supervisor Richard Elías
Pima County Board of Supervisors
130 W. Congress Street
Tucson, AZ 85701

Dear Supervisor Elías,

Totlecalli and Hiaki High Schools are very excited about pursuing AdvancED accreditation. Accreditation is designed to help educational institutions boost their ongoing performance efforts for the benefit of their students. AdvancED insists on a relentless pursuit of excellence – for itself and for the institutions it accredits. This ethic of excellence ensures that institutions will find rich benefits from accreditation and that parents can confidently make informed decisions about their children's education, knowing their child's school is accredited. Accreditation matters because our students deserve the highest level of educational excellence possible.

Students and their parents will experience ease in transferring credits from one school to another. They will gain greater access to federal loans, scholarships, postsecondary education and military programs that require students attend an accredited institution. They will also benefit from their institution or educational system's commitment to raising student performance and accountability.

Totlecalli and Hiaki High Schools respectfully request a contribution to their schools ~~of $5,000.00~~ to begin the accreditation process for the 2014-2015 school year. The funds will be used for the accreditation application fee, first year's dues and an onsite visit to complete the readiness process for accreditation. Thank you for your consideration of our request.

4,999.00

Respectfully,

Tillie Arvizu, Superintendent
CPLC Community Schools
