Arroyo Chico

Phase II
Groundbreaking Ceremony

October 14th, 2010

The ***Tucson Drainage Project***
Arroyo Chico

provides for flood control and ecosystem restoration along the Tucson Arroyo – Arroyo Chico watershed, including the Park Avenue Detention Basin Complex and channel improvements.

The project has been developed cooperatively between the Pima County Regional Flood Control District, the City of Tucson, the Tucson Unified School District and the U.S. Army Corps of Engineers, Los Angeles District.
