# MEMORANDUM

---

Date: March 21, 2016

To: The Honorable Ally Miller, Member  
Pima County Board of Supervisors

From: C.H. Huckelberry  
County Administrator 

Re: **Foothills Clusters Petition**

We are in receipt of the petition from the Foothills Clusters forwarded by your office (Attachment 1). As shown on the attached map (Attachment 2), the majority of the roads in the Foothills Clusters subdivision (shown in blue on the map) are private roads not maintained by the County. As noted on the recorded subdivision plat filed with Pima County at the time these lots were created (Attachment 3), the roadways were not constructed to County standards and thus were not eligible for expenditure of public funding in accordance with Arizona law.

The local collector roads displayed in red (Evans Mountain and Ventana Canyon) are maintained by the County. The condition of these collector roads are rated as Poor. Unfortunately, as we have regularly reported to the Board of Supervisors, the vast majority of such subdivision streets in the unincorporated area are in the same or worse condition. You may recall we received petitions from other areas in the past (Moondance, Oracle Foothills Estates 6, Sabino Town and Country, and Golden Heritage Village).

The cost to rehabilitate the County-maintained collector roads in the Foothills Cluster subdivision with a two-inch mill/fill treatment is estimated at \$361,600. The funding challenges faced by the Department of Transportation due to a lack of revenue associated with the continuing sweeps of Highway User Revenue Funds by the State Legislature and the lack of political will to increase the current motor fuel tax prevent us from addressing the dire condition of our roadway network.

These roadways could have been improved using future bond funding from the now-defeated November 2015 election. County General Funds could be used, but such would require budget approval from the Board of Supervisors.

The Department of Transportation encourages residents and homeowners associations to contact them at 520.724.2639 to report potholes, sight distance issues, and safety hazards that need to be addressed. These matters of traffic safety are addressed expeditiously, with priority given to arterial streets, which have high volumes.

**ALLY MILLER**  
SUPERVISOR

March 4, 2016

Mr. Chuck Huckelberry  
County Administrator  
130 W. Congress, 10<sup>th</sup> Floor  
Tucson, AZ 85701

Dear Mr. Huckelberry:

Please see the attached photos and petitions sent to me from residents of *The Foothills Clusters*. There are approximately 330 signatures on the petition.

The citizens in this neighborhood have clearly documented roads that are a safety hazard. Due to a lack of maintenance and repair by the County over the past 20 years, these roads are now in dire need of being repaved before someone is seriously injured.

I am requesting immediate action to address the serious safety concerns these residents face in their neighborhoods.

Sincerely,

A handwritten signature in black ink that reads "Ally Miller". The signature is written in a cursive style.

Ally Miller  
Supervisor, District 1

C: John Bernal, Deputy County Administrator for Public Works  
Priscilla Cornelio, Director, Department of Transportation  
Lauren Eib, Risk Manager, Risk Management Department  
Thomas Weaver, Chief Civil Deputy, Pima County Attorney's Office  
Wendy Dewey, Resident of the Foothills Clusters

# ATTACHMENT 1

March 1, 2016

Supervisor Ally Miller  
Pima County Board of Supervisors  
130 E. Congress  
Tucson, AZ 85701

Dear Supervisor Miller,

Following the direction of both your office and Pima County's Transportation Department, enclosed are petitions from the residents of the Foothills Clusters, a housing subdivision near Skyline and Campbell in your District.

The approximately 330 petition signatures represent the expressed need of the Clusters' homeowners for the County to repave the two main County arteries serving the Clusters - N. Evans Mountain and Ventana Canyon Roads. Other than inadequate patchwork repairs, these roads have not received any major repaving in 17 years. By now, they are in deplorable condition, posing safety hazards to pedestrians, motor vehicles, bicycles and anyone else traveling these roads day and night.

We have enclosed supportive documentation in the form of photographs and resident testimonials to illustrate the need.

Thank you for any efforts you could expend to promote this request.

On behalf of the Foothills Clusters community, I am sincerely yours,

  
Wendy Dewey  
6835 N. McFall Crags Place  
Tucson, AZ 85718  
(520) 991-4609

**FOOTHILLS CLUSTERS COMMUNITY  
RESIDENT FEEDBACK REGARDING THE CONDITION  
OF N. EVANS MOUNTAIN AND VENTANA CANYON ROADS**

"I fell while running last November and scraped my face and ended up at the plastic surgeon (removing asphalt from my lip), dentist and endodontist because of the fall. Luckily no permanent damage. I've been running for 10 years in and out of our neighborhood. I've only fallen in our neighborhood. My two running friends and I chose to leave the neighborhood to run because of the poor condition of our streets. I have several times jarred my body when hitting a pothole while running and believe it's incredibly dangerous. We moved here 10 years ago when our kids were 4 and 5 and I've always joked that they could never learn to ride no-hands because of the condition of our street. My son actually uses the raised cracks on our street as a jump for his bike. Although never verified by a mechanic, I know my Honda van suffered on our street and became the rattle-iest car on the street. I felt embarrassed that our neighbors could hear me coming because of the rattles." Anne S., E. Nugget Canyon Place

"My husband feels he must drive down to the bike path to walk or run. The sides of our Evans Mountain Road are just too uneven and dangerous."  
Kathy S., E. Esperero Canyon Place

"Many residents in the neighborhood walk/run/bike....and when one, let alone two, cars are driving and a pedestrian has to move out of the way....it is very unsafe. The edges of the road drop off in many areas and it is easy to fall and/or get injured." April G., E. Esperero Canyon Place

"We welcomed a new baby girl in September and after our first attempt to push the buggy through our beautiful neighborhood as a family, we knew we could never do that again! We invested in a baby carrier the next day so we could conveniently walk the baby and dog from our home. Otherwise we have to load up and head down to the river walk." Samantha A., E. Lizard Rock Place

"I commute by bike several times a week, and when possible, move out towards the middle of the road to avoid the most highly deteriorated areas on the sides. The shocking and jolting that results from riding over the worst sections is extremely unpleasant and potentially hazardous. When riding on the roadside, it can also be difficult to see where the road ends and the dirt begins." Doug H., E. Kingler Spring Place

"My story is the two pinch flats I experienced on my bike almost simultaneously two weeks ago while riding westbound on Evans Mountain Road and encountering uneven spots followed by a pothole and then while traversing a crack or seam in the pavement. It's getting to the point where I've decided only to ride the smooth pathways of the loop from now on --which is a pain because that entails loading and unloading." Bruce M., N. Burro Creek Place

"I walk slowly and carefully normally due to arthritis in my legs and feet. When walking in our beautiful neighborhood, I literally have to watch my every step so as not to trip and/or fall. The pavement is so seamed, uneven and pitted that even at my slow pace, I have stubbed my sandals numerous times which jolts me because I do not wish to fall. It takes some of the pleasure out of my walks." Wendy D., N. McFall Crag Place

"This is a pedestrian neighborhood. People walk morning, noon and night. With and without pets. Lots of people. The road is dangerous without curbs and sidewalks. The road widens and narrows and curves constantly with cactus and brush along the side. Leaping off the road to avoid cars can be dangerous. Drivers are often unaware of walkers due to curves, distractions, sun in eyes etc." Reenie B-H, E. Diablo Canyon Place

March 1, 2015

**The attached photographs are examples of the severe deterioration of North Evans Mountain Drive and East Ventana Canyon Drive located in the Foothills Clusters neighborhood of the Catalina Foothills.**

**Roadway edges missing altogether with continued breakage.**

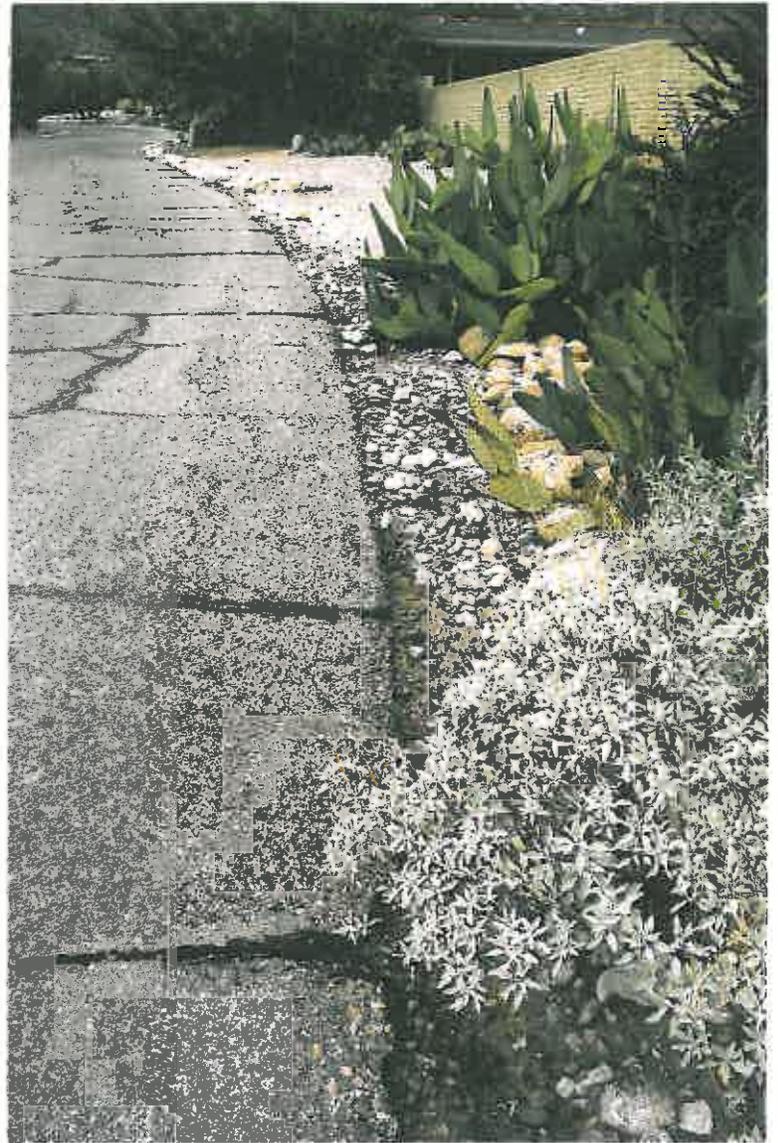

**Close-up of ever-present, uneven and hazardous roadway surface.**

**Earlier patchwork failed at edge. Drop in elevation from edge to shoulder is approximately 8 inches.**

**Resident's attempt to fix steep drop-off into shoulder of inside road curve near large cacti in right of way.**

**Constantly spreading roadway cracks with 6 inch depression along shoulder into soft sand.**

**Missing roadway edges abutting loose rocks comprising the shoulder.**

**Previous inadequate repairs of uneven roadway and still in need of repair/repaving.**

**Numerous cracks across roadway;  
earlier patched and repair  
patching now gone.**

**Extensive old cracks, never patched  
and spreading very unevenly.**

**Inadequate attempt at repairing elevation drop of roadway edge to sand/rock shoulder.**

**Long stretch of broken off, unstable roadway adjoining soft sand shoulder and cacti close to edge of road.**

# PETITION FOR PIMA COUNTY TO REPAVE

## N. Evans Mountain Drive and E. Ventana Drive

### Foothills Clusters

We are a Pima County community of 367 residences east of Campbell Ave and north of Skyline Drive. We have 34 cul-de-sac roads that are owned and maintained by our HOA. These cul-de-sacs feed all traffic onto two Pima County roads--Evans Mountain Drive and E. Ventana Drive.

### Petition summary and background

Evans Mountain Road and E. Ventana Canyon Drive are heavily traveled Pima County roads which are about 37 years old. These public roads have been in serious disrepair for over 17 years, they are currently in deplorable deteriorating condition with severe asphalt decay, large central pot holes, cracks and spider cracks, many uneven patches, serious road dips, very dangerous shoulders, no curbing and other problems.

### Action petitioned for

We, the undersigned, are concerned citizens of Pima County who urge our leaders to act now to re-pave of Evan Mountain Road and E. Ventana Canyon Drive

# PETITION FOR PIMA COUNTY TO REPAVE Evans Mountain Drive and E. Ventana Drive

**Foothills Clusters**

We are a Pima County community of 367 residences east of Campbell Ave and north of Skyline Drive. We have 34 cul-de-sac roads that are owned and maintained by our HOA. These cul-de-sacs feed all traffic onto two Pima County roads--Evans Mountain Drive and E. Ventana Drive.

**Petition summary and background**

Evans Mountain Road and E. Ventana Canyon Drive are heavily traveled Pima County roads which are about 37 years old. These public roads have been in serious disrepair for over 17 years, they are currently in deplorable deteriorating condition with severe asphalt decay, large central pot holes, cracks and spider cracks, many uneven patches, serious road dips, very dangerous shoulders, no curbing and other problems.

**Action petitioned for**

We, the undersigned, are concerned citizens of Pima County who urge our leaders to act now to re-pave of Evan Mountain Road and E. Ventana Canyon Drive.

# PETITION FOR PIMA COUNTY TO REPAVE Evans Mountain Drive and E. Ventana Drive

<b>Foothills Clusters</b>	We are a Pima County community of 367 residences east of Campbell Ave and north of Skyline Drive. We have 34 cul-de-sac roads that are owned and maintained by our HOA. These cul-de-sacs feed all traffic onto two Pima County roads--Evans Mountain Drive and E. Ventana Drive.
<b>Petition summary and background</b>	Evans Mountain Road and E. Ventana Canyon Drive are heavily traveled Pima County roads which are about 37 years old. These public roads have been in serious disrepair for over 17 years, they are currently in deplorable deteriorating condition with severe asphalt decay, large central pot holes, cracks and spider cracks, many uneven patches, serious road dips, very dangerous shoulders, no curbing and other problems.
<b>Action petitioned for</b>	We, the undersigned, are concerned citizens of Pima County who urge our leaders to act now to re-pave of Evan Mountain Road and E. Ventana Canyon Drive.

1. GROSS AREA OF SUBDIVISION: 178.05 ACRES
2. (a) REPRESENTS A CURVE, SEE CURVE DATA TABLE.
3. (a) REPRESENTS A 1" IRON PIN SET AND TAGGED P.M. 1001.
4. (a) REPRESENTS AN EXISTING P.M.
5. (a) REPRESENTS A SET SURVEY MONUMENT, BEING A 2" BRASS CAP SET IN 12" x 12" x 12" CONC. AND STAMPED P.M. 1001.
6. ALL LOT CORNERS SET WITH 1" STEEL PIN TAGGED N.M. 1001.
7. MINIMUM LOT SIZE: 18,000 SQ. FT.
8. NUMBER OF LOTS: 137
9. NEW ROADWAY WIDENING: PUBLIC, 0.34 MILE
10. ALL PRIVATE STREETS SHOWN ON THIS PLAN WILL BE DAVED BUT NOT NECESSARILY TO PIMA COUNTY STANDARDS.
11. BASIS OF BEARING: BEARING ADJUSTED TO THE SOUTH LINE OF THE EASTWEST 1/4 OF SECTION 4, T-13-N, R-14-E, G.M. S.W.M., PIMA COUNTY, ARIZONA. SAID BEARING BEING N65°10'00"W.
12. ANY EXISTING UTILITIES THAT MAY HAVE TO BE RELOCATED DUE TO THIS DEVELOPMENT WILL BE DONE SO AS TO NOT EXPOSE TO PIMA COUNTY.
13. NEUTRAL GRAVAGE WILL NOT BE ALTERED, DISTURBED, OR OBSTRUCTED WITHIN THE BOUNDARIES OF THIS PLAN WITHOUT THE APPROVAL OF THE PIMA COUNTY FLOOD PLAIN BOARD.
14. THE HOMEOWNERS ASSOCIATION FOR THE FOOTHILLS CLUSTERS, LOTS 214 THRU 569 WILL BE RESPONSIBLE FOR THE MAINTENANCE, SAFETY, LIABILITY, AND CONTROL OF THE PRIVATE STREETS.
15. EACH INDIVIDUAL LOT OWNER OF THE FOOTHILLS CLUSTERS WILL BE A MEMBER OF THE FOOTHILLS CLUSTERS, LOTS 214 THRU 569 HOMEOWNERS ASSOCIATION, AS RECORDED IN DEED NO. 538262 AT PAGE 17.
16. ALL LOT AREAS ARE SHOWN IN PARALLELS.
17. TOTAL NUMBER OF RESIDENTIAL LOTS:  
 (a) THE FOOTHILLS, LOTS 1 THRU 371: 37  
 (b) THE FOOTHILLS, LOTS 372 THRU 569: 102  
 (c) THE FOOTHILLS #2, LOTS 144 THRU 163: 44  
 (d) THE FOOTHILLS #2, LOTS 164 THRU 213: 28  
 (e) THE FOOTHILLS CLUSTERS, LOTS 214-372: 159  
 (f) THIS PROJECT: 567
18. TOTAL LOT DEFICIENCY:  
 (a) THE FOOTHILLS #1, LOTS 144 THRU 163: 0.51 AC.  
 (b) THE FOOTHILLS CLUSTERS, LOTS 214 THRU 372: 72.74 AC.  
 (c) THIS PROJECT: 89.38 AC.  
 TOTAL: 162.23 AC.
19. TOTAL COMMON AREA:  
 (a) THE FOOTHILLS #2, LOTS 144 THRU 163: 0.57 AC.  
 (b) THE FOOTHILLS CLUSTERS, LOTS 114 THRU 372: 73.81 AC.  
 (c) THIS PROJECT: 80.36 AC.  
 TOTAL: 154.74 AC.
20. ALL PUBLIC ROADS OR ON OR ADJACENT TO THIS SUBDIVISION SHALL BE CONSTRUCTED IN ACCORDANCE WITH APPROVED PLANS TO MEET PIMA COUNTY STANDARDS FOR PAVED ROADS. CONSTRUCTION PLANS SHALL BE SUBMITTED TO THE PIMA COUNTY HIGHWAY DEPARTMENT FOR REVIEW AND APPROVAL PRIOR TO THE ISSUANCE OF ANY PERMITS FROM THE COUNTY ENGINEER.
21. 1001.5 - INDICATES WHERE LEVEL CORNERS, ELEVATIONS ARE BASED ON PIMA COUNTY HIGHWAY DEPARTMENT DATUM. MONUMENT MARK: TOP OF BRASS CAP S.M. CORNER OF SECTIONS 4, T-13-N, R-14-E. ELEVATION BEING 2136.15'
22. THE AREA WITHIN THE 100 YEAR FLOOD LIMIT LINES REPRESENTS AN AREA WHICH MAY BE SUBJECT TO FLOODING FROM A 100 YEAR FLOOD PROTECT FLOOD, AND ALL LOTS IN THIS AREA SHALL BE RESTRICTED TO USE THAT ARE COMPATIBLE WITH FLOOD PLAIN MANAGEMENT AS STATED IN PIMA COUNTY ORDINANCE NO. 1974-88. ALL LOTS DEVELOPER AREAS WITHIN THE DELINEATED 100 YEAR FLOOD FLOW AREA SHALL HAVE BEEN RESTRICTED TO THEM WHICH SPECIFIC COMPLIANCE WITH SAID ORDINANCE.
23. THE COMMON AREA AS SHOWN ON THIS PLAN IS INTENDED ONLY FOR THE USE AND ENJOYMENT BY THE HOMEOWNERS IN THE FOOTHILLS, AS OUTLINED IN THE MASTER COVENANTS, CONDITIONS AND RESTRICTIONS AS RECORDED IN DEED, BE. 42376, AT PG. 660.
24. IN THE OPINION OF THE PIMA COUNTY HIGHWAY DEPARTMENT, VIOLATION OF THE ONE-FOOT AND ACCESS EASEMENT IS CREATING HAZARDOUS CONDITIONS. THE FOOTHILLS CLUSTERS, LOTS 214 THRU 569, HOMEOWNERS ASSOCIATION SHALL INSTALL PHYSICAL BARRIERS OR MODIFY EXISTING PHYSICAL BARRIERS IN ORDER TO RESTRICT VEHICULAR ACCESS TO DESIGNATED POINTS OF INGRESS - EGRESS.
