

Volunteer with Supervisor Miller as she kicks off her Helping Hands Program!

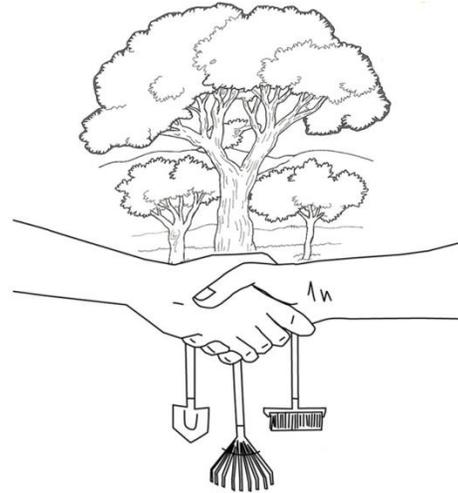

Date: Saturday, November 2, 2013

Time: 8:00 a.m. – 12:00 p.m.

Location: Catalina Community Services

3535 E. Hawser St, Catalina

Shuttles will be provided to the job site two blocks away.

Join District 1 Pima County Supervisor, Ally Miller, and Catalina Community Services for a morning of volunteer yard work for a senior citizen. Volunteers will be weeding, laying weed cloth, planting cacti/plants/succulents, and laying gravel to create a clean, attractive, low maintenance yard.

Come yourself or gather up a team of co-workers, students, friends, or family! Church groups, scout groups, and other youth organizations are encouraged to participate!

Supervisor Miller's Helping Hands Program is designed to make Pima County cleaner, beautiful, and welcoming for all.

Equipment you can bring:

- Weeding tools (hand held cutters, trowels)
- Buckets to move rocks and gravel
- Rakes and shovels
- Gardening gloves, hats, sunglasses, close-toed shoes, and sunscreen

All of the necessary landscape materials have been generously provided by Pioneer Sand Company. Coffee, bagels, and iced water bottles will be available, and a catered lunch will be provided by Mama's Pizza.

Those interested in volunteering can contact Supervisor Ally Miller's office to confirm your participation in this great event at (520) 724-2738 or district1@pima.gov.
