

# Proposition 430 - Open Space Acquisition Program 2015 Pima County Bond Election

The map shows properties that would be eligible for Pima County to purchase with bond funds if authorized by voters at the November 3, 2015 election. If purchased, these properties would be managed for conservation, continuing past efforts by the county and other organizations to expand the network of federal, state, and county parks and conserve important natural areas for current and future generations.

**NOTE: NOT ALL ELIGIBLE PROPERTIES WILL BE ACQUIRED.** The value of the properties identified is in excess of the bond funding allocation. This allows flexibility since the County only purchases property from willing sellers and some lands will be developed prior to the County having an opportunity to purchase. Eligible State Trust land can only be purchased through the standard State Trust land acquisition process requiring a public auction. State Trust land can also be managed for conservation without purchase. During the 2004 bond program, the County acquired State grazing leases at little or no cost as a result of purchasing the associated private ranch land, and those leases are managed by the County for conservation.
