Upon roll call, those present and absent were as follows:

All Present: Ramón Valadez, Chairman
 Sharon Bronson, Vice Chair
 Ray Carroll, Member

 Lori Godoshian, Clerk

1. LITIGATION

Pursuant to A.R.S. §38-431.03(A) (3) and (4), for legal advice and direction regarding the appeal of the decision of the Hearing Officer in Case No. P09CV00138-1 and 2, Bonnie Martinez-Hatley and Robert Martinez. The Board may also, during the course of the hearing and upon motion, enter into executive session.

Without objection, this item was removed from the agenda.

2. APPEAL OF HEARING OFFICER'S DECISION

P09CV00138-1 and 2, Bonnie Martinez-Hatley and Robert Martinez

In accordance with the Pima County Zoning Code Section 18.95.030C, Bonnie Martinez-Hatley and Robert Martinez, appeal the decision of the Hearing Officer in the following Case No. P09CV00138-1, regarding a violation to Zoning Code Section 18.14.020.A.7, excessive number of livestock; and, Case No. P09CV00138-2, regarding violations to Zoning Code Section 18.01.030.E.1, structures without permits (animal corrals/goat pens, goat houses, round pen, animal shade and adjoined sheds over 200 square feet), on property located at 11970 W. Archer Drive, Tucson, AZ. (District 3)

Chris Straub, Chief Civil Deputy County Attorney, advised the Board that if this case involved an interpretation of the Zoning Code, it should be appealed through the Board of Adjustment.

Rick Bruster, Zoning Inspector Supervisor, provided a staff report. He stated the appellants had requested a 4H exemption but were denied because the activities did not meet Zoning Code requirements for minor-age individuals living on the property who were active 4H Club members. Staff recommended the hearing officer's decision be upheld and that the Chief Zoning Inspector's interpretation be

appealed to the Board of Adjustment. If the Board of Adjustment upheld the interpretation, the defendant would then apply for a conditional use permit for a non-profit community project which would allow for the increased number of livestock on the property.

Bonnie Martinez-Hatley and Robert Hatley, appellants, stated their children had reached the age limit for 4H in 2005, but they had been asked by several parents to continue their involvement in 4H. Ms. Martinez-Hatley explained that she had researched the Zoning Code and could not find any guidelines which stated a 4H child must reside in the household. She asked the Board that they be allowed the 4H exemption on their property.

Supervisor Bronson stated that from a policy perspective, she did not agree with the Chief Zoning Inspector's interpretation.

On consideration, it was moved by Supervisor Bronson, seconded by Supervisor Elías and unanimously carried by a 5-0 vote, to close the hearing and reverse the Hearing Officer's decision.

3. **ADJOURNMENT**

As there was no further business to come before the Board, the meeting was adjourned at 1:00 p.m.

REGULAR AGENDA/ADDENDUM ITEMS

10. COUNTY ADMINISTRATOR: LEGISLATIVE PROGRAM FOR 2011

RESOLUTION NO. 2010 – 285, of the Board of Supervisors, adopting the Pima County Legislative Program for 2011.

Chuck Huckelberry, County Administrator, explained this was the annual Legislative Program put together with input from County departments and agencies.

Supervisor Bronson commented that it was going to be a challenging legislative session as the state had shifted costs, required mandatory payments or cut state shared revenues to the County.

Supervisor Carroll requested that should the opportunity arise this legislative session, that staff explore legislation that would allow the County to seek private participation, perhaps by competitive bids, in using bed tax funds which have been set aside for convention and tourism activities in the County.

On consideration, it was moved by Supervisor Carroll, seconded by Supervisor Day and unanimously carried by a 5-0 vote, to adopt Resolution No. 2010 – 285 with the addition of the issue as stated by Supervisor Carroll.

11. COUNTY ADMINISTRATOR: RILLITO RACETRACK FEES FOR COUNTY FAIR HORSERACING

Staff requests direction to develop a four-year agreement with the Pima County Horsemen's Association to continue horseracing at Rillito Racetrack through 2014 at an incrementally increased annual fee structure during that period. The 2011 horseracing season will be assessed a fee of \$6,500.00; the second through the fourth years will be increased at a rate of \$2,500.00 per year, reaching the maximum sum of \$14,000.00 by 2014. Subsequent agreements beyond the 2014 horseracing season will be subject to future and independent action.

Chuck Huckelberry, County Administrator, provided an overview and stated that this graduated rate structure would provide a fair balance between the different interest groups.

Gary Davidson, Member of the Pima County Parks and Recreation Commission and Chairman of the Rillito Regional Park Planning Committee, provided a presentation which explained the reasoning behind the Commission's fee recommendation which differed from that being proposed by the County Administrator. He also gave a brief history of the taxpayer money that had been spent on the facility.

The following speakers addressed the Board:

- A. Stephanie Maben, Member of the Pima County Parks and Recreation Commission
- B. Phin Anderson
- C. Patti Shirley, Vice-President of the Pima County Horsemen's Association
- D. Ebie Aldaghi
- E. Michael Toney

They provided the following comments:

- 1. The Board was asked to approve the Pima County Parks and Recreation Commission fee recommendation so that all organizations would be charged equally.
- 2. The Horsemen's Association felt the fee schedule presented by the Parks and Recreation Commission would put an end to horseracing in this area and that they were the only organization that paid for capital improvements at Rillito Racetrack. They stated this year they would be raising their fees and charging for parking.
- 3. Soccer organizations have been soliciting private donations to operate their tournaments.
- 4. This property is very important for youth sports.
- 5. The State of Arizona has swept the funding for County horseracing.

On consideration, it was moved by Supervisor Day, seconded by Supervisor Bronson and unanimously carried by a 5-0 vote, to approve the County Administrator's recommendation to enter into a four year agreement with the Pima Horsemen's Association and include annual renewals; the 2011 horseracing season be assessed a fee of \$6,500.00; the rates for the second through the fourth years be increased \$2,500.00 per year reaching the maximum sum of \$14,000.00 by 2014; and a financial review of the Pima County Horsemen's Association audit be performed by County staff to determine if fees could be increased.

13. **ASSESSOR: REQUEST FOR REDEMPTION OF WAIVER OF EXEMPTION**

Pursuant to A.R.S. §42-11153(B), the Pima County Assessor has determined that the applications for Redemptions of the Waivers of Tax Exemptions for the year 2010 qualify for exemptions under the applicable statutes and requests the Board of Supervisors redeem the waivers.

On consideration, it was moved by Supervisor Elías, seconded by Supervisor Bronson and unanimously carried by a 5-0 vote, to approve the request for Redemption of Waivers of Tax Exemption.

On consideration, it was moved by Supervisor Elías, seconded by Supervisor Bronson and unanimously carried by a 5-0 vote, to approve the canvass of the November 2, 2010, General Election.

(CLERK'S NOTE: See attached Election Summary Report.)

15. PIMA COUNTY WIRELESS INTEGRATED NETWORK

Staff requests the Board of Supervisors support the Tumamoc Hill Consolidation Plan and approval to transmit a letter of support on behalf of Pima County to the University of Arizona.

Chuck Huckelberry, County Administrator, stated that staff had conducted three public meetings regarding the proposal and most of the comments received were regarding continued access to the hill for walking and hiking. He explained that the President of the University of Arizona had conveyed there were no plans to alter or restrict public access to the hill for walking and hiking. He recommended the Board send a letter of support and authorize staff to enter into an agreement with the University of Arizona to proceed with the proposed plan.

The following speakers addressed the Board:

- A. Dr. Ron Spark
- B. Betts Putnam-Hidalgo

They provided the following comments:

1. Concern was expressed regarding the public continuing to have access to Tumamoc Hill for walking and/or hiking and it was suggested that a written assurance be provided by the University.
2. It was important to maintain the educational and spiritual source of the hill for the community and it was asked that the process be slowed down until further environmental impact studies have been conducted.
3. The public should be made aware of these types of issues in the beginning of the process, not at the end of the project.
4. There were no final diagrams of the tower that would be placed on the hill.

On consideration, it was moved by Supervisor Elías, seconded by Supervisor Carroll and unanimously carried by a 5-0 vote, to approve Alternative 1, which included the following:

- Send a letter of support for the consolidation plan and authorize staff to enter into an agreement with the University of Arizona to proceed with the proposed consolidation plan.
- The University of Arizona is the owner of the portion of Tumamoc Hill where the new Tower will be located. Letters of support from the City of Tucson and Pima County were required prior to forwarding the Consolidation Plan to the Executive Dean of Letters, Arts and Sciences and the President's Office for final approval.
- The Master Agreement covering the use of all approved University of Arizona radio sites will be presented for approval of the Board of Supervisors and the Arizona Board of Regents at subsequent meetings.
- In addition, a written agreement from the University be provided indicating that the public will continue to have walking and/or hiking access to Tumamoc Hill and that letters be sent to the list of attendees from the three public meetings which summarized the Board's action regarding this matter and letters and information regarding this project be posted on the website.

Staff concurred with the recommendations that have been made.

The Chairman inquired if anyone wished to be heard. No one appeared.

Request of Toufic M. Ajouz and Katherine Mather-Ajouz, to amend the Pima County Comprehensive Plan from Low Intensity Urban 1.2 (LIU-1.2) to Medium Intensity Urban (MIU). The approximately 0.88 acre property is located at 1022 W. Ina Road, on the north side of W. Ina Road approximately 100 feet west of N. La Cresta Oesta Avenue, in Section 25, T12S, R13E in the Northwest Subregion. Staff recommends DENIAL. (District 1)

Rezoning Policies

1. Notwithstanding the zoning districts allowed under the Low Intensity Urban 1.2 (LIU-1.2) planned land use intensity category, a rezoning to TR Transitional Zone to allow a computer software engineering use only shall be deemed in conformance with the Comprehensive Plan.
2. As an adaptive reuse, the residential character of the property shall be preserved. The footprint of the existing building may not be changed.
3. The property owner shall construct a six-foot masonry wall on the west property line to buffer the residential use to the west.
4. A maximum of six (6) employees shall be permitted.

Sherry Ruther, Planning Manager, provided a report. She stated that one individual representing the La Canada/Magee Neighborhood Association had addressed the Planning and Zoning Commission in opposition and that staff had received three letters in opposition and one letter in support. She explained that the Planning and Zoning Commission recommended modified approval subject to rezoning policies and that staff recommended denial of the amendment.

The Chairman inquired if anyone wished to be heard. No one appeared.

On consideration, it was moved by Supervisor Day, seconded by Supervisor Bronson and unanimously carried by a 5-0 vote, to close the public hearing, approve Co7-10-02 with modified approval subject to Rezoning Policies as recommended by the Planning and Zoning Commission and to direct staff to incorporate "adaptive reuse" as part of the County Code and integrate it into the Comprehensive Plan during its next revision and update.

On motion, the Planning and Zoning Commission voted 6-0 (Commissioners Poulos, Membrilla, Smith and Steinbrenner were absent) to recommend APPROVAL subject to ~~Rezoning Policies (RP)~~ **Special Area Plan Policies**. Staff recommends APPROVAL. (Districts 2 and 4)

Staff recommends APPROVAL of this proposed amendment to Comprehensive Plan Regional, Rezoning and Special Area Plan Policies, Special Area Policy S-18, Floodplain Management, as follows:

S-18 Floodplain Management

General location: There are several sites within eastern Pima County designated as Floodplain Management Special Areas by the Pima County Flood Control District. They are: Upper Santa Cruz River (Upper Santa Cruz Valley Subregion); Rillito Creek Overbank Storage (Catalina Foothills Subregion); Cienega Creek (Rincon Southeast/Santa Rita Subregion); Wakefield and Anderson Washes (Rincon Southeast/Santa Rita Subregion); Lee Moore Wash, including eight tributaries: Gunnery Range Wash, Sycamore Canyon Wash, Fagan Wash, Cuprite Wash, Petty Ranch Wash, Franco Wash, Flato Wash and Summit Wash (Rincon-Southeast/Santa Rita and Upper Santa Cruz Subregions)

Policies:

- A. Upper Santa Cruz River Special Area Policy: Land use planning in the Santa Cruz River floodplain from the Santa Cruz County line downstream to the Tohono O'odham Nation shall be based on a river management study. Channelization, encroachment, development or rezoning shall not be permitted within the Santa Cruz River 100-year floodplain or erosion hazard area, whichever is greater, west of the Southern Pacific Railroad, until completion of the river management study. A landowner proposing to modify the Santa Cruz River floodplain prior to the completion of said study shall be responsible for providing a comparable study addressing impacts of the proposed development, based on a scope of work acceptable to the Flood Control District. The study scope and results shall be submitted to the District for review and approval.
- B. Rillito Creek Overbank Storage Special Area Policy: Proposed improvements in the floodplain designated to be preserved for overbank storage and located on the north side of Rillito Creek between Country Club Boulevard and Columbus Boulevard or between La Cholla Boulevard and the Southern Pacific Railroad shall not unreasonably diminish existing overbank storage volumes.
- C. Cienega Creek Special Area Policy: No channelization or bank stabilization shall be permitted along Cienega Creek upstream of Colossal Cave Road to the Empire-Cienega Resource Conservation Area.

Cienega Creek's regulatory floodplain and/or erosion hazard area, whichever is greater, shall be dedicated in fee simple to the Pima County Flood Control District upon approval of any tentative plat or development plan.

D. Wakefield and Anderson Wash Special Area Policy: The Wakefield and Anderson Washes' 100-year floodplains and/or erosion hazard areas, whichever is greater, shall be dedicated in fee simple to the Pima County Flood Control District upon approval of any tentative plat or development plan.

E. Lee Moore Wash Basin Special Area Policy: Development shall be regulated per the Lee Moore Wash Basin Management Study. This study provides hydrology and hydraulics to ensure consistency between land uses, identifies permanent natural flow corridors and establishes Development Criteria in addition to those contained within Floodplain and Erosion Hazard Management Ordinances. This policy adopts by reference the entire Study including floodplain maps, flow corridor maps, flood hazard data and development criteria as described in *Development Criteria for the Lee Moore Wash Basin Management Study*, as adopted by the Pima County Flood Control District Board of Directors on June 1, 2010 (Resolution 2010-FC6).

Sherry Ruther, Planning Manager, summarized the staff report and stated that staff recommended approval of the request.

The Chairman inquired whether anyone wished to be heard. No one appeared.

On consideration, it was moved by Supervisor Carroll, seconded by Supervisor Day and unanimously carried by a 5-0 vote, to close the public hearing and approve Co7-10-03 subject to Special Area Plan Policies.

21. BOARD OF SUPERVISORS

Presentation by Bill Carnegie, Chief Executive Officer, Community Food Bank, regarding the current state of the food bank. Discussion/Action (District 3)

Bill Carnegie, CEO of the Community Food Bank, provided an update regarding the status of the Community Food Bank. He highlighted some of their upcoming projects and outlined their involvement with the opening of a Kid's Farmers Market Pilot Project at Walter Douglas Elementary School. He noted that they would also be working with City High School on a community garden.

Mr. Carnegie explained how they would be faced with challenges as their resources were stretched due to current economic conditions and that they were anticipating about a \$200,000.00 reduction in government funding. He stated that other non-profits would be faced with the same challenges and everyone was concerned with donor fatigue. Mr. Carnegie thanked the Board for being supportive of the efforts of the Community Food Bank.

22. COUNTY ADMINISTRATOR

Staff requests approval of the proposed revised Board of Supervisors Policy No. C2.7, Prohibiting Weapons in Pima County Facilities and Vehicles.

On consideration, it was moved by Supervisor Elías, seconded by Supervisor Bronson and unanimously carried by a 5-0 vote, to approve the policy revision.

23. **COUNTY ADMINISTRATOR**

Presentation of the Pima Association of Governments Clean Fuels/Clean Cities Program, highlighting the Electric Vehicles Initiative.

Colleen Crowninshield, Pima Association of Governments Clean Cities Manager, described the Electric Vehicle Initiative Project for Pima County. She stated that they were working to ensure that local installers would be used as they moved forward with the infrastructure for the project. She announced that Tucson was listed for their Electric Vehicle Project on Vice-President Joe Biden's 100 Top Recovery Act Projects and that Tucson had been chosen by Ford Motor Company as an official launch site for their electric Ford Focus in late 2011.

24. **CONTRACT AND AWARD: ECONOMIC DEVELOPMENT AND TOURISM**

The Board of Supervisors on 11/2/10 and 11/9/10 continued the following:

Metropolitan Tucson Convention and Visitors Bureau, to provide for the promotion of tourism, business travel, film production, youth, amateur, semi-professional and professional sports development and marketing for the term 7/1/10 to 6/30/11, General Fund, contract amount \$2,565,463.00 (11-71-M-143410-0710)

Chuck Huckelberry, County Administrator, briefed the Board on the proposed contract. He stated the contract should be amended to include a revision to Section 4.4, for a requirement to conduct a performance audit subject to review and approval by the Board. He added that the performance audit should be overseen by a committee appointed by the County that would consist of County staff, the chief executive officer of each major resort in the unincorporated area of the County and a representative from both the Arizona-Sonora Desert Museum and the Pima Air and Space Museum. He explained the performance audit should include an independently compiled satisfaction survey to measure how well the Metropolitan Tucson Convention and Visitors Bureau (MTCVB) was meeting the expectations of its client benefactors.

Jonathan Walker, President of the Metropolitan Tucson Convention and Visitors Bureau, addressed the Board and explained how MTCBV marketed and promoted Pima County as a tourism destination. He stated they planned to fully cooperate with an audit committee and would provide them with any information they may need.

Chairman Valadez inquired how MTCVB compared to comparable communities or entities in tourism.

Mr. Walker stated a comparison to other designations was always difficult because every community and entity was different and unique. He confirmed that the budget for this year would be around 7 million dollars and his staff consisted of 35 full-time employees and 7 part-time employees and that Tucson competed on a regular basis with the markets in Phoenix, Scottsdale and Palm Springs.

Supervisor Carroll requested MTCVB report to the Board on a quarterly basis. He requested the Board withhold a quarter of the funding until the performance audit was completed.

Mr. Walker responded he would be available to report on a quarterly basis, if required.

Hank Atha, Deputy County Administrator for Community and Economic Development, explained that the contract was a pass-through which meant that as money was received it was transmitted to MTCVB.

Supervisor Day commented that the Board should have a better understanding of what the money is expected to do regarding advertising and selling Pima County as a tourism destination. She asked for better communication between MTCVB and the Board.

On consideration, it was moved by Supervisor Bronson, seconded by Supervisor Elías and unanimously carried by a 5-0 vote, to approve the contract with the amendment to Section 4.4, as recommended by the County Administrator, and that the Board receive quarterly reports from MTCVB's Chief Executive Officer.

25. CONTRACT AND AWARD: PROCUREMENT

Low Bid: Award of Contract, Requisition No. 1100624, in the amount of \$9,565,600.00 to the lowest responsive bidder, D.L. Withers Construction, L.C. Funding Source: Regional Wastewater Reclamation Department Obligations Fund. Administering Department: Facilities Management.

On consideration, it was moved by Supervisor Bronson, seconded by Supervisor Elías and unanimously carried by a 5-0 vote, to approve the award.

The Public Information Enforcement File for the following case(s) will be made available for public review, or copies may be obtained, for \$.35 per page at the Public Works Building, Regional Wastewater Reclamation Department's reception desk, 201 North Stone, 8th Floor, Tucson, Arizona, 85701.
