### **5. TENTATIVE BUDGET HEARING**

Chuck Huckelberry, County Administrator, reported on the recommended tentative budget and explained it would set the expenditure ceiling for Fiscal Year 2014/2015.

The following individuals addressed the Board during the Tentative Budget Hearing:

Sally Simmons, Presiding Judge of the Superior Court, stated in order to carry out the critical missions of the Court, Superior Court employees, including probation officers, surveillance officers and juvenile detention officers needed to be treated on an equitable basis with other County employees and with other courts throughout the State. She expressed concern that if the Courts were required to absorb the employee compensation increases into their budgets, specialty courts and services could be threatened.

David Sanders, Chief Probation Officer, spoke of the changes and accomplishments in Adult Probation during the last 11 years and asked the Board to revisit the Court's supplemental budget request and to consider offering more competitive wages.

Karen Adam, Juvenile Court Presiding Judge, stated although detention numbers continued to drop, remaining detainees had high social, emotional and psychological needs and Juvenile Court employees needed to be paid fairly.

Ron Overholt, Deputy Superior Court Administrator, explained although the Court had reduced staffing and spending, staff salaries had remained uncompetitive with Maricopa, Pinal and Yuma Counties. He also reported serious security and safety issues due to the frequent failure of the Juvenile Detention Center's 14 year old analog touch screen security system and asked for reconsideration of the submitted supplemental budget request.

Toni Hellon, Clerk of the Superior Court, supported the Court's supplemental budget request. In addition, she advocated for employee rate increases but maintained that if forced to absorb the salary increase into her budget, the passport processing and consolidated collections programs, which generated \$5.3 million per year for the General Fund, would have to be reduced or eliminated.

David Friel, local business owner, stated there were inefficiencies in the County Attorney's Office and the Sheriff's Department that have caused tax payment problems for him.

Regina Suitt, Dean for Pima College Adult Education and Betty Stauffer, Executive Director of Literacy Connects, explained the Literate Worker Group and thanked the Board for its support of literacy programs.

Leona O'Connor, Pima County Interfaith Council Executive Team, addressed the Board regarding the successes of JobPath and thanked the Board for its support.

Arina Irkitova, JobPath Graduate, thanked the Board for supporting JobPath and the Pathways for Highly Skilled Immigrants and Refugees Program.

Mary Murphy addressed police, court inefficiencies and waste.

Debra Pela, President of the Pima County Probation Officer's Association, spoke regarding the roles of Probation Officers and asked for a remedy of the devaluation of their contributions to the community.

Ana Chavarin, thanked the Board and encouraged its continued support of adult education.

Maya Castillo, Service Employees International Union of Arizona, conveyed that SEIU was largely supportive of the proposed budget and reiterated the request that the Board consider those employees who make the lowest wages.

## **BOARD OF SUPERVISORS**

### 6. Review and adoption of the Tentative County Budget for Fiscal Year 2014/2015.

Chuck Huckelberry, County Administrator, provided an overview of the recommendations for the budget, the County's overall position and discussed options for employee compensation. He stated an assessment was needed prior to final adoption on whether departments could absorb whatever salary adjustment the Board would approve.

Supervisor Elías recognized that a majority of General Fund dollars go into operating the Court System. He suggested a review of employee compensation disparities, especially concerning Court employees, to prevent it from happening again. Supervisor Elías highlighted the importance of setting a Tentative Budget that would provide the latitude to examine the options for employee compensation packages. He stated a preference for the 50 cent per hour wage increase for all employees and emphasized it would have the most impact on lower wage employees who suffered the most.

Supervisor Valadez requested additional information regarding the fiscal impact of a 50 cent per hour wage increase to all employees and an evaluation of which departments were not able to continue providing services should they be required to absorb the wage increase costs into their own budgets.

It was moved by Supervisor Valadez and seconded by Supervisor Elías to close the public hearing and adopt the Tentative County Budget in the amount of \$1,188,464,252.00 with an effective tax rate of \$4.2779. No vote was taken at this time.

Mr. Huckelberry clarified that the Tentative County Budget amount included the base adjustment to balance the budget as well as enough funding for all of the packages under consideration.

Supervisor Miller expressed her interest in the 50 cent per hour wage increase for employees and added that a significant look was needed at Court salaries.

Supervisor Carroll commented on the continued lack of HURF funding from the State government and added the County should be working with other entities to address future transportation funding options.

Upon roll call, the motion carried by a 3-2 vote, Supervisors Carroll and Miller voted "Nay."

7. Review and adoption of the Debt Service Tentative County Budget for Fiscal Year 2014/2015.
