

DATE: January 23, 2015

TO: Planning and Zoning Commission Members

FROM: Tom Drzazgowski, Deputy Chief Zoning Inspector

SUBJECT: P21-14-020

The applicant of the above referenced case has requested that the case before the Planning and Zoning Commission for a communication tower at 3802 N. Bear Canyon Rd be **withdrawn**. There appears to be a substantial amount of public concern and it appears that the Tucson Unified School District is requiring the applicant to find a more suitable location on another location.
