Dear Ms. Morman:

My sister, Mariys Moeckly, and I are Merl Moeckly Co. and own the property at 9051 E. Eaglefeather Road, which is on the north side the property requesting the rezoning.

We strongly object to this zoning change. It will definitely push the value of our property down. It will also destroy the quality of life we have enjoyed at that address for many, many years. This rezoning can not help our property in any way, shape or form.

Please do not approve this rezoning request. Thank you.

Sincerely

Kent Moeckly
