## MINOR MODIFICATION APPLICATION PROCESS

(revised October 7, 2009)

To apply for a minor modification of a Hillside Development Standard contact the following **Planning Official Representative** or their designated representative (hereinafter referred to as "**Staff**") at 201 N. Stone:

**STEP 1. PREAPPLICATION MEETING:** The applicant attends a Pre-application Meeting with Staff during which (a) staff confirms if the proposed request is a minor modification category (see attached Minor Modification Categories list), (b) Staff completes the submittal requirements list and confirms that the applicant has received an application form and all applicable documents.

**STEP 2. APPLYING FOR A MODIFICATION:** Submit a completed and signed application accompanied by all items required by the Submittal Requirements Check List. **Note: Incomplete applications will not be processed.**

**STEP 3. STAFF REVIEW:** Staff reviews the application to confirm that all submittal requirements and the standards for Minor Modification have been met. These standards, as outlined in the Pima County Zoning Code are: "... *The applicant's demonstration to the satisfaction of the Planning Official that the proposed alternative complies with the purpose of the HDZ chapter (6 purpose provisions of Section 18.61.010) and the Criteria for evaluating Minor Modifications in the Hillside Development Manual...*". Criteria in the Hillside Development Manual includes the following:

1. The modification will not substantially reduce the amount of privacy that would be enjoyed by nearby residences.
2. Significant views of prominent landforms, specimen native plant vegetation and riparian habitat, or parks from nearby properties will not be additionally obstructed by the granting of the modification.
3. Traffic safety or visibility on adjoining streets will not be adversely affected.
4. Drainage from on-site will not adversely affect adjoining properties and public rights-of-way.
5. Riparian habitat, native plant communities, and specimen trees and cacti, significant rock outcroppings and land forms, peaks and ridges, and other high resource value site features will not be damaged by the granting of the modification.
6. The proposed alternative mitigates the visual and environmental impact of the proposed modification.

**STEP 4. DECISION:** Within 5 working days after receipt of the application, staff will approve, approve with conditions, deny the request, or return the request to the applicant if additional information or a revision is required. In the event that an application includes a request for 2 or more minor modifications, staff review may take longer. If one or more of the submittal requirements, criteria, or standards are not met, staff may deny the application.

**STEP 5. DECISION LETTER:** A confirming memo or letter stating staff's decision will be mailed, faxed, or emailed to the applicant.

**STEP 6. APPEAL:** The applicant may submit a written appeal of the denial or conditions of approval to the Planning Official. The Planning Official or his appeal representative shall review and act on the appeal within 3 working days after the Planning Division's receipt of the appeal. In the event that an appeal is for more than 1 denied minor modification, the review may take longer than 3 days. There is no appeal of the Planning Official's action.

## STANDARDS FOR EVALUATING MINOR MODIFICATIONS FOR HDZ DEVELOPMENT

In the spaces provided below, explain the reasons why the proposed modification meets each of the seven review criteria. The application cannot be processed without this information. Answer each question using full sentences. You may attach a separate sheet if necessary.

1. Compliance with the 6 purpose provisions in Section 18.61.010. \_\_\_\_\_
