RE: Achievement of Substantial Compliance for Opportunity to Correct PC1602-106

Dear Mr. Rhoades,

The Pima County Department of Environmental Quality (PDEQ) Air Program received your response letter, dated April 1, 2016, to the above referenced Opportunity to Correct action sent by PDEQ on March 2, 2016. Upon review of the submitted response, it has been determined that Freeport-McMoRan Sierrita Inc. has proposed actions to adequately address the deficiency and maintain substantial compliance with respect to Pima County Code (PCC) Title 17 and Air Quality Operating Permit No. 6067.

Thank you for your continued efforts toward maintaining regulatory compliance and protecting the environment while improving the public health and welfare. If you have any questions regarding this correspondence, please contact me at (520) 724-7400.

Sincerely,

Dustin Fitzpatrick  
Air Compliance Manager
