Dear Friends of Pueblo Gardens:

This year the Pueblo Gardens Neighborhood Association is hosting its Twenty-second Annual Breakfast in honor of the great civil rights leader Dr. Martin Luther King, Jr. We are the **only neighborhood** in the city to sponsor this event. The celebration is held yearly to bring together members of the community concerned with equal rights for all our citizens, to honor and acknowledge Dr. King, and to raise money to assist neighborhood children in achieving some of their dreams. Each year the community is very responsive to this event with many city, county, and state dignitaries participating.

Our goal again this year is to continue to provide funding for educational and recreational scholarships that serve our neighborhood children and youth. We invite you to join with us in providing additional financial support that will help us assist our youth. Your presence will help make this event the most successful to date. If you are unable to attend, your sponsorship would be greatly appreciated. Your contributions can be made payable to:
