

# Flowing Wells High School Pulse Dance Company '12-'13

*One Team, One Dream, One Heart, One PULSE!*

Over a hundred students tryout each year to earn the privilege and honor of being on the Flowing Wells Dance Company! Based on skill, creativity and academics each team member is hand picked by a panel of non-biased judges to be on one of the most competitive dance teams in the state. Once a member, the real work has just begun. Each member must maintain a respectable GPA, and show improvement in all areas of dance, leadership skills, and maintain a positive attitude. With your help they will excel in dance and life!
