Can you run it under 5315, aid to government agency?
Thank you

Kiki:

This handbook was made by Pat Lukensmeyer and explains the link between domestic violence and animal abuse. It will be used as the basis for training sessions with veterinarians, victim witness, police, etc. AWASA will also place it on their web site as well as the Humane Society so that it can be downloaded. I would like to start out with 100 copies of the manual so that Pat can start her training classes. AWASA is a sponsor, a county vendor and a nonprofit so we can run it through there. I am only requesting the raw copies and I will bind the manual myself. Someone I know has that plastic spiral machine.

I have 3 quotes as follows:

QUICK PRINT	\$360.00
WEST PRESS	\$503.51
PRINTEX	\$315.00

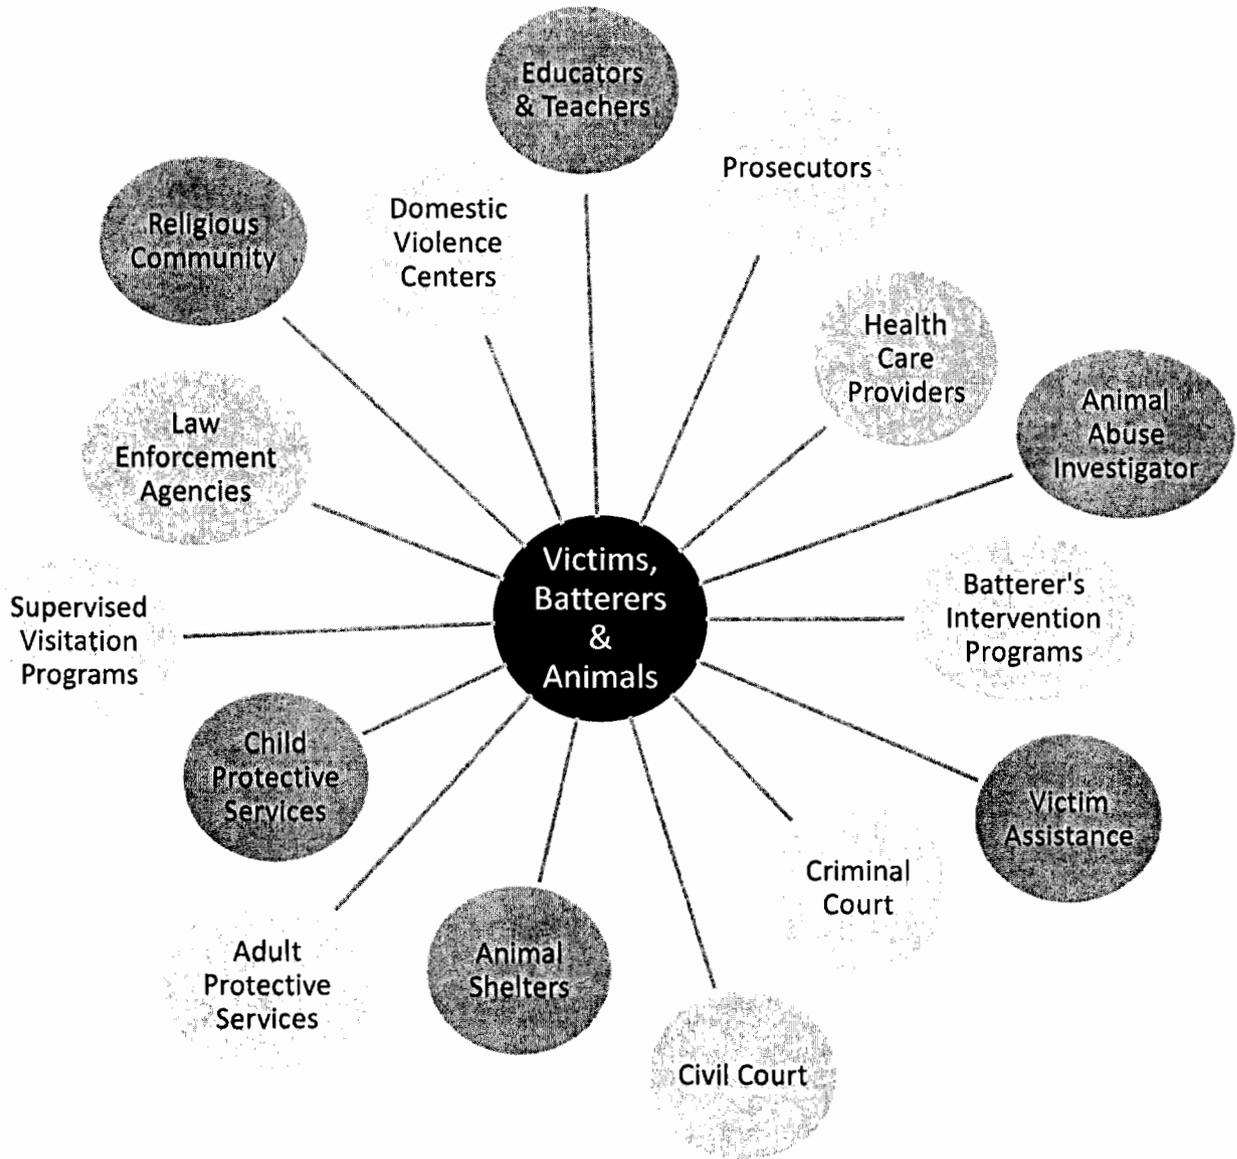

Interestingly enough vets get little to no training on how to determine abuse. If we can more vets reporting suspicious behavior then the deputies can have cause to enter the house. That is when they can conduct welfare checks on the children. Mike Duffy and Pat will be conducting the training sessions.

Let me know if you want the county logo or what on the last page.

So, after all of that, I need \$315 to initiate this work. Can I have it? Let me know if you cannot open the attachment.

Thanks for your consideration,

Terri
