\$400 to.
American Legion

Dear Ms Bronson,

You have a been a favorite of ours in attending our annual 4th of July celebration and we sincerely hope you can attend our 2013 4th of July. Again the American Legion Post 10 of Ajo, Arizona is sponsoring the towns 4th of July. Could you advise us when convenient whether you can also attend this one so we can plan on transportation for you. Kord Klinefelter will again be the one in charge of the parade.

Last year you indicated that you might find funds in helping us meet 4th of July cost and if you can anything at all would be appreciated. Again we will have booths at the park and fireworks at night from top of the flumes. After this year one of our big donors Mineral Research will be leaving Ajo. Again, thank you for past activities and looking forward to a lot more.
