Good Morning Ms. Navarro,

We are delighted that our organization, Arivaca Action Center Inc. was brought to your attention as a community based facility currently meeting the gaps of services in the Arivaca area. I attached the signed W-9 showing non-profit status. We have had an outpouring of volunteer services and materials and we were able to paint the building (5000 sq. ft) inside and out with these donations. We will continue to use donations to make improvements and do maintenance on the facility including yard and garden tools and equipment, printer/scanner, gate and cattle guard repair, gutter installation, daily operations expenses. etc.

Thank you again for your consideration and we would love to provide a tour at your convenience. As you know, living in Arivaca is a blessing and with a lot of hard work and energy, anything is possible.

Sincerely,
Gloria Williams
