Kiki,

The Citizens for Picture Rocks would like to request \$1,000 for community development and engagement activities this year.

We have many things going on and this is the time for our community to really get to know each other better.

Upcoming activities: celebration of community center painting and improvements, RTA transit survey, and ADOT rural transportation study.

We would like to mail at least one Picture Rocks Digest to each household in the next 6 months.

Thanks for your support. Our community really appreciates everything Sharon does to help us.
