I Stand with Planned Parenthood: Annual Planned Parenthood Events

Event: Planned Parenthood Advocates of Arizona (PPAA) is proud to present "I Stand With Planned Parenthood" events in Central, Northern and Southern Arizona. During this five-city celebration during March, 2013, attendees will hear from inspiring keynote speakers and honor our very special friends who have advanced a women's health prevention agenda in the state of Arizona.

Benefits: As we all know, access to reproductive health is facing the most aggressive attacks in modern history. The 2012 legislative session saw the largest numbers of anti-women's health bills introduced and laws enacted ever.

In Phoenix and Tucson, you will be inspired by Bestselling author, Pulitzer Prize-winning journalist, and social critic **Anna Quindlen**. Anna's library of work provides perspectives on daily life, delicately balancing the political with the personal. Her astute commentaries on everything from women's issues to public policy to presidential elections translate into her popular fiction and non-fiction books and appear in the world's most influential newspapers and magazines.

Funds raised at our celebrations will support Planned Parenthood's work toward a prevention agenda at all levels of government during 2013, including local school boards and the Arizona legislature. Donations will also support our strategies to elect pro-women's health leaders who will stand up for women, choice, and access to health care.

Donations to Planned Parenthood Advocates of Arizona are NOT tax-deductible.
