Dear Ms. Quihuis:

On behalf of the Educational Enrichment Foundation's Board of Directors and the Luncheon Event Committee, please accept our heartfelt thanks and appreciation for your generous support of EEF's 14th Annual Ray Davies Lifetime Humanitarian Achievement Award Luncheon.

Your sponsorship of $150.00 helps support the work of our community-based foundation to enrich and enhance educational opportunities for TUSD students and ensures that the largest number of publicly funded schools in our city are able to offer quality educational experiences for all of their students. From classroom project grants and interscholastic scholarships to new shoes and prescription eye glasses, EEF provides opportunity for all TUSD students. We couldn't do it without you.

Thank you again for your continued support of EEF. Your investment in Tucson's future – its youth – is very much appreciated.

Sincerely,

Pamela Francis
Executive Director

Dear Mr. Elias:

On behalf of EEF's Board of Directors and staff, as well as the teachers, students, and families of TUSD, please accept my sincere thanks for your donation. Your generous contribution of $250.00 to the EEF's Special Needs Fund will create more opportunities for EEF to provide TUSD teachers and students the resources they need for enriched learning.

Your gift helps EEF keep students engaged in school, actively learning and developing into the community members we need in order for our entire community to thrive economically and culturally in the coming years. Your gift supports our community's future – our children – and recognizes the inherent economic value of investing in public education.

Thank you for being a part of the solution as we move forward.

Sincerely,

Pamela Francis

About the Partners

Arizona Blind & Deaf Children's Foundation invests in the future of our state's blind and deaf children by creating and supporting programs in art, fitness, literacy and life skills. The Foundation is proud to collaborate with, and provide grants to many schools and non-profits throughout the state. Among the Foundation's several flagship programs are the award-winning Art Shed, Camp Abilities, Summer Literacy Camp, and Outdoor Education for blind and deaf youth. Founded in 2002, the Foundation is the ONLY nonprofit in the state working to serve the needs of both blind and deaf children.

Stories that Soar! taps into the wellspring of children's imagination, inspiring creativity, promoting active literacy, and building engaged communities.

Celebrating its 100th year anniversary, the mission of Arizona Schools for the Deaf and Blind is excellence in education for all children and youth with hearing or vision loss throughout Arizona. Committed to partnerships with families, school districts, communities, and others that will enable students to succeed now and in the future, ASDB continues to be a leader in serving youth with vision and hearing loss.

About Sights & Sounds

"This was the most powerful thing I've ever seen—it truly captured the spirit, talent and promise of the youth who wrote the stories, and it was beautifully produced"
—Audience member

Imagine 200 blind and deaf children writing stories and poems depicting how they see and hear the world. Then imagine experiencing those stories, brought vividly to life by a professional theatre troupe.

Stories That Soar! and Pima County Supervisor Richard Elias imagined this experience, and, in 2010, Stories That Soar!, along with students on the campus of Arizona Schools for the Deaf and Blind, created the first production, shown live for all students on the ASDB campus.

Arizona Blind & Deaf Children's Foundation has been a proud supporter of this effort since the beginning. This year, we're prouder still to bring this powerful experience to the entire community as a collaboration to benefit blind and deaf children throughout Arizona.

So join us on November 9, 2012 at the beautiful Berger Performing Arts Center, as the curtain draws on the inaugural community performance of Sights & Sounds, a celebration of the promise of our state's blind and deaf children.

Hi Hope:

Wish I could say the same - some bozo without a clue chopped on the creosote at Seneca & Palo Verde...and then left all the cuttings in the circle. This occurred between 8AM Sunday and 6AM today...so I've got to file a police report for malicious damage. It just never ends!!!

Thanks for your generous offer for the breakfast items.

This is the food-stuff: 75 breakfast sandwiches/pan of potatoes/3 doz bagels. We have between 75-125 volunteers, so it's better to have more...than not enough. Are you doing watermelon or oranges..type items? We usually have some grapes (a couple bunches), oranges would be nice - we'd cut them in 1/2....so 40, then some watermelon slices? Does that sound good. These items won't turn brown or get yucky...that's why we usually do them.

As far as coffee - don't worry about decaf, 2 gallons would be excellent.

Thanks...you've simplified my life ;o)
