**SUBJECT: Expenditures for Pima County Small Business Commission  
Awards**

The Pima County Small Business Commission at its July meeting voted to name the 2014 Pima County Small Business of the Year award winners as Golden Goose Thrift Shop (rural small business winner) and The Planning Center (metro small business winner.)

As you recall, District 3 Supervisor Sharon Bronson offered to sponsor the \$500 rural small business award and Economic Development and Tourism Director Tom Moulton offered to sponsor the \$500 rural small business award. The awards are specifically intended for the public purpose of furthering economic development in Pima County.

Please arrange for both \$500 expenditures to be made from the appropriate departments/centers. Representatives of both companies are expected to receive their awards at the Pima County Board of Supervisors meeting of Sept. 9, 2014.
