Dear Supervisor Elías,

San Xavier Little League is a non-profit organization promoting youth baseball and softball in the Tucson, AZ area. The league is fully self-supporting through sponsorships, donations, volunteers and fundraising.

Our Junior Baseball All-star team is playing for the chance to go to the Arizona State Little League Tournament in Kingman, AZ. These young men will be representing Tucson, District 12 Little League and San Xavier Little League.

Costs for the tournament will include transportation, hotels fees and meals. Due to the short amount of time between the District 12 tournament and the start of the State Tournament we are quickly looking for sponsorships and donations.

Donations from local businesses like yours is one of the ways we try to raise much needed funds. Without the generous support of local business in the community, we would not be able to accomplish our goal.

Any monetary donation would be truly appreciated and would help the Junior Baseball All-star team from San Xavier Little League tremendously. Donations to San Xavier Little League are tax deductible.

If you have any questions, or would like additional information regarding San Xavier Little League, please contact Veronica Soto at (520) 465-1004 or by email at sotovn@aol.com. Thank you in advance for your consideration and your support of San Xavier Little League and allowing these young men a chance to represent Tucson.

Sincerely,

Veronica Soto

SXLL Junior Baseball All-star Team Manager
