Importance: High

Hi there, Sharon wanted to sponsor this event in the amount of \$1000.00. Would you mind checking to see if they are in our system. I believe Jan Leshner as well as another board office has given money to this some cause.

Hi, Sharon. Planning is going well for our conference and we're very excited. Thanks so much for your support and help with connecting with Jan Leshner some months back.

At this point, we are about \$5k short in our budget. I'm reaching out to see if you would be able to consider supporting the conference. I've attach information regarding co-sponsorship as well as the e-flyer, which has a link to our website for more information. We have about 40 co-sponsors at this point, and would love to include you in the group.

I look forward to speaking with you about this soon.

Thanks again!
Ivy
