Hi Stella we'd like to give Walter Douglas Elem \$1000.00 for their event in October. Can you run it under account number 5315 0023.

Thank you

Hi Kiki,

I will take care of sending you a copy of the W-9 tomorrow when I get back to Walter Douglas. Thank you again for all your help.

Always,
Marie Daily

Ok so our finance checked to see if they had you in our system...and they don't. So we need a copy of the actual W-9 signed. Can you get a scanned copy for us? Ugh I know...I'm sorry!!!

Kiki,
Hello there. I hope you are doing well. The w-9 number is 86-6003684. The principal asked if you could write the check out to Walter Douglas Elementary. Could you please also send it to "Attention Marie Daily" , that way I will know it arrived.
Thanks again. You're wonderful,
Marie

Hi Marie, I sent an email to you from my home address so I wasn't sure if you received it yet. If you could send me the W-9 for the Walter Douglas PTO I can get a check processes asap. Thanks!

Hi,

The check can be made out to Walter Douglas PTO. If we go through the school district, there has to be a purchase order issued. Yes, you can refer everyone to me as the contact person. Thanks again for all you help.

Marie

Hi Marie it was so nice to see you! Quick question who do we make the check out to for the 50th Anniversary Celebration? It has to be a nonprofit. And I will do my best with the snack program, once I find out any info, who should I refer staff to work with on this, is it you? Take care Marie and thank you for your kind words!!! Happy Friday☺

Hi Kiki,

Thank you so much for offering to help us at Walter Douglas Elementary. Our 50th Anniversary Celebration is on Fri., Nov. 8th from 5:30 - 7:30 pm.

A donation of any amount will help make it a memorable event for our students. We hope to purchase a T-shirt for each student and staff member honoring our school's 50th Birthday. Money will also be used to purchase food, beverages, and prizes for the kids.

As I mentioned we are starting a weekend snack pack program for 50 of our students. We have in the neighborhood of 660 students with a free and reduced rate of 92%. Hope Community

Church has graciously offered to help with the first 50 students. We are trying to be able to reach more of our hungry kids. A donation from your office will help us to do this. As we discussed at the FWNACC meeting last night, it will cost around \$8,000 to provide food for the 50 students every weekend from now until the end of the school year. Any amount will help us to reach more than just 50 students.

Again, thank you so much for your offer to try to help. Kevin and I really appreciate all that you, Sharon, and Terri have done to support our efforts for the Flowing Wells community. Terri helped me get connected to the Hope Community Church.

Best of luck with your procedure. I will be thinking good thoughts for you.

Always,

Marie Daily
