Ticket Price:
\$20.00 per person

Arizona is one of the **worst 5** states for education in the US.

The 2 high-schools within a 5 mile radius of Higher Ground have a combined dropout rate of **50%**.

70% of incarcerated people were high school dropouts.

One out of every two students DO NOT HAVE adult supervision during after school hours.

One young person who turns to a life of crime or substance abuse can cost his/her community approximately **\$2 MILLION** over his/her lifetime.

There is HOPE

Higher Ground exists to see a life-changing youth center build meaningful relationships with the youth of Tucson and transform them through inspiring leadership, mentorship, and development in social, academic, and life skills. We are truly a community solution to a growing community problem. Higher Ground is a resource connecting parents, schools, organizations, government entities, churches, businesses, and other community action organizations to fully maximize our resources to impact the next generation changing the course of their future for the better.

Beginning this fall of 2013, Higher Ground will be expanding as the City of Tucson has granted us use of the Wakefield High School

Campus as the new Higher Ground headquarters. With this huge expansion, Higher Ground will further its reach to the community of Tucson impacting the next generation with academic tutoring, recreational programming, and life-changing character development. Our vision is to see thousands of young people change their lives through our programs over the next 5 years and beyond.

We Need YOU

We can't do this without you. Through the sponsorship opportunities outlined below, you will play a crucial part in communicating this message to hundreds of attendees at this upcoming fundraising banquet, calling a generation to take a stand, and funding the life changing work of Higher Ground to the children who desperately need us to take a stand on their behalf. Please join us.
