Re: Facebook Ad Justifications

At the beginning of the fiscal year, I proposed an allocation of \$500 from our operational budget to purchase Facebook Advertisements in order to better promote our work as a government office. Since my last memorandum, our Facebook expenditures now total \$330.56.

Here's a breakdown of what our office has spent since the beginning of the fiscal year, aligned with brief insights about our online outreach:

Month	Average Daily Likes	Average Monthly Reach	Resources Allocated on Promoted Content
July	472	5,248	\$30.43
Aug.	588	25,431	\$138.45
Sep.	640	27,005	\$161.68

As you can see, we've increased **daily likes** to roughly one-third more than when we began in July, and in September, our **online reach** was nearly 80% higher than in July.

Our expenditures on Facebook are geared toward two separate items: Facebook Ads and promoted posts. Purchasing ads allows our office to reach new Facebook followers based on demographic criteria of our choosing, and promoted posts enhance our online presence by being more visible in the newsfeeds of our followers and their friends.

I will continue to make Facebook expenditures in the year ahead, but will not be requesting more funds for the time being. Roughly \$170 remains for the year. I will monitor our online activity in the next three months to assess the pros/cons of not allocating more funds to this endeavor.

County Administrator

Chief Administrative Assistant

Re: Administration Office Beverage Purchases

This memorandum is to request your authorization to utilize the County Administrator's Office P-card to purchase coffee and related condiments for the office. We regularly serve coffee during meetings and to visitors to the County Administrator's Office.

Although coffee and related condiments are available for purchase through Staples, their pricing is not cost effective; these items can be purchased at approximately one half the cost at area grocery and/or discount stores.

Thank you for your consideration of this request.
