Comments/Issues

As part of the zero base budget process, the department identified services provided within their programs and built their budget based on the actual cost of services. Justifications for line item requests and positions within each service were provided.

FTEs in the department decreased by 0.4 or 2.7 percent due to fewer hours being budgeted for a Contract Specialist position in order to meet the 2.5 percent budget reduction.

The Recommended Budget includes the fiscal year 2008/09 mid-year 2.5 percent budget reduction of \$32,557.

The department's Outside Agency Program funds agencies that provide social and public services to address the most critical needs throughout the County. Outside Agency funding was reduced by 10% or \$396,397 from fiscal year 2008/09 due to the continuing economic downturn.

The department's outside agencies are organized into six service categories. These categories are: 1) Youth and Young Adult; 2) Senior Support; 3) Parenting and Family Support; 4) Support, Shelter, and Domestic Violence Services; 5) Community Support; and, 6) Emergency Food and Clothing.

Recommended General Fund revenue sources:

Wastewater Management support for Pima Association of Governments (PAG)	54,840
Wastewater Management support for Tucson Clean & Beautiful	<u>50,000</u>
	104,840

The Recommended Budget includes General Fund capital expenditures of \$10,800 for six replacement computers.

The department submitted no requests for supplemental funding.

Comments/Issues

As part of the zero base budget process, the department identified services provided within their programs and built their budget based on the actual cost of services. Justifications for line item requests and positions within each service were provided.

FTEs in the department decreased by 0.4, or 5.7 percent. The reason for the decrease is that an Accounting Support position that was budgeted at 832 hours in fiscal year 2008/09 was not budgeted in fiscal year 2009/10 in order to meet the 2.5 percent budget reduction.

The Recommended Budget includes the fiscal year 2008/09 mid-year 2.5 percent budget reduction of \$17,167.

The Recommended Budget includes General Fund capital expenditures of \$3,600 for two replacement computers.

The department submitted no requests for supplemental funding.

Comments/Issues

As part of the zero base budget process, the department identified services provided within their programs and built their budget based on the actual cost of services. Justifications for line item requests and positions within each service were provided.

FTEs in the department increased by 19.2, or 27.0 percent. Factors contributing to this net decrease include:

- The addition of 8 existing positions transferred from Community Resources as part of the Las Artes transfer.
- The addition of 8 existing positions transferred from Community Resources as part of the Teen Center transfer.
- The addition of 2.1 existing FTEs transferred from Community Resources as part of the Pima Vocational High School (PVHS) transfer.
- The addition of 4.7 Intermittent Summer Youth FTEs.
- A reduction of 3.6 FTEs in various job classifications in order to meet the 2.5 percent budget reduction.

The Kino Sports Complex (formerly Community Resources) was reorganized effective July 1, 2008 and three programs, Las Artes, Teen Center, and Pima Vocational High School were transferred to Community Services. To administer these new programs the following amounts were transferred to Community Services from the Kino Sports Complex: \$643,689 for the transfer of the Las Artes program; \$645,229 for the transfer of the Teen Center program; and \$235,977 for the cost of PVHS consultants.

The Recommended Budget includes the fiscal year 2008/09 mid-year 2.5 percent budget reduction of \$132,586.

Funding for the Summer Youth Program decreased \$450,000 from the fiscal year 2008/09 amount of \$1,660,000 reflecting the current economic conditions and severe revenue losses.

Interdepartmental Salaries decreased by \$33,500 because the cost of two Information Technology employees that were charged to the department in fiscal year 2008/09 will not be charged in fiscal year 2009/10.

Recommended General Fund capital expenditures:

Replacement Desktop Computers - 5	8,700
Replacement Printer/Copier - 1	2,000
Dishnet Muzac Equipment	1,500
	<hr/>
	12,200

The department submitted no requests for supplemental funding.

Comments/Issues

As part of the zero base budget process, the department identified services provided within their programs and built their budget based on the actual cost of services. Justifications for line item requests and positions within each service were provided.

FTEs in the department increased by 5.2, or 1.4 percent. Factors contributing to this net increase include:

- The addition of 3.2 FTEs in the Intermittent category.
- The increase in the budgeted hours of four new positions (Librarian and Office Worker classifications) from 1040 hours in fiscal year 2008/09 to 2080 hours in fiscal year 2009/10.

Pursuant to the Intergovernmental Agreement between the Pima County Free Library District and Pima County for Cooperative Support Services Contract No. 01-30-P-138083-00606 (dated June 6, 2006, recorded in Docket 12824 at Page 955 on June 13, 2006), employees performing work for the Pima County Free Library District are Pima County employees assigned to do work for the Pima County Free Library District. For budgetary purposes only, these employees are shown as FTEs within the Pima County Free Library District. The actual status of these employees during the course of the Intergovernmental Agreement will continue to be as Pima County employees, subject to the Pima County Personnel Policies and Merit Rules. The Intergovernmental Agreement terminates on June 5, 2031.

The cost of six Information Technology positions in the County's Central Information Technology Department previously paid for directly by the District will now be paid as part of the District's administrative overhead allocation.

The final payment of \$2,000,000 under the agreement to transfer the library system to the County Free Library District was received from the city of Tucson in fiscal year 2008/09.

Projected fiscal year 2009/10 property tax collections of \$25,026,712, a decrease of \$6,346,064 from the fiscal year 2008/09 budget, are based on a tax rate of \$0.2643, a reduction of \$0.0750 from the fiscal year 2008/09 rate of \$0.3393, and an increase in the Secondary Net Assessed Value from \$9,594,861,519 in fiscal year 2008/09 to \$9,840,619,641 in fiscal year 2009/10. Also budgeted are collections of \$974,396 for taxes due from previous years. Negative budgeted revenue amounts for some previous years on the Summary By Account are due to anticipated tax refunds from tax roll corrections or successful appeals in excess of anticipated delinquent tax collections.

No new library branches are expected to open in fiscal year 2009/10.

Expenditures increased by a net of \$1,375,570 or 3.8 percent from the fiscal year 2008/09 adopted budget primarily due to a \$1,187,535 increase in repairs and maintenance, buildings and grounds for a number of branch repairs, and various other expenditure increases and decreases.

Comments/Issues

As part of the zero base budget process, the department identified services provided within their programs and built their budget based on the actual cost of services. Justifications for line item requests and positions within each service were provided.

FTEs in the department decreased by 2.1, or 42.0 percent. Factors contributing to this net decrease include:

- Proposed unfunding of a Senior Clerk and a Contract Specialist in response to declining hotel/motel tax revenue.
- Reduced budgeted hours for an Intermittent position also in response to declining hotel/motel tax revenue.

Legislation from the state of Arizona (A.R.S. 42-6108) allowing the County to increase its transient lodging excise (hotel/motel) tax from 2% to 6% became effective on August 12, 2005. In response to this legislation, the Board of Supervisors approved the increase of the County's hotel/motel tax rate to 6% effective January 1, 2006. Hotel/motel tax revenues are distributed as follows: the Metropolitan Tucson Convention & Visitors Bureau (50%), the Stadium District (34%), and Economic Development & Tourism (16%).

In response to the new legislation, a new special revenue fund, Economic Development & Tourism, was created to account for the new funding source and its related activity. Hotel/motel tax revenues have been booked into this fund since its implementation in January 2006. Beginning July 1, 2006, economic development and tourism activities have been accounted for in this special revenue fund rather than the General Fund.

For comparison purposes only, the General Fund activity for fiscal year 2005/06 is presented in all tables along with the fiscal years 2006/07 and 2007/08 actuals, fiscal year 2008/09 adopted, and fiscal year 2009/10 recommended special revenue fund budgets.

Hotel and Motel tax revenue is budgeted to decrease by \$322,927 as the result of the economic downturn and slower than expected facility renovations causing significant negative impacts on hotel and motel occupancy.

For fiscal year 2009/10 reductions were made in Personal Services, Contingency, TREO and TREO Subcontracts, and other expenditure accounts to bring expenditures into line with declining hotel and motel tax revenue.

Six outside agency contracts with total funding of \$326,590 are included in the fiscal year 2009/10 recommended budget. These contracts provide funding for Tucson Botanical Gardens (\$42,750), Tucson Children's Museum (\$42,750), Tucson Pima Arts Council (\$130,340), El Tour de Tucson (\$30,000), Job Path (\$57,000), and Ajo Chamber of Commerce (\$23,750). An operating transfer of \$302,840 will be made from the General Fund to the Economic Development & Tourism Special Revenue Fund to pay for all of these contracts except the Ajo Chamber of Commerce which will be funded by the department.

Effective in fiscal year 2007/08 the management of fifteen County leased properties was transferred to the Economic Development & Tourism Department. These leased properties are used for recreational and tourism purposes. The transfer occurred because it was determined that these properties are a better fit in this department than in the Natural Resources, Parks and Recreation Department which previously managed the properties.

Comments/Issues

As part of the zero base budget process, the department identified services provided within their programs and built their budget based on the actual cost of services. Justifications for line item requests and positions within each service were provided.

FTEs in the department decreased by 46.1, or 69.4 percent. Factors contributing to this decrease include:

- A decrease of eight FTEs transferred to Community Services with the Las Artes transfer.
- A decrease of eight FTEs transferred to Community Services with the Teen Center transfer.
- A decrease of 2.3 FTEs transferred to Community Services with the transfer of consultants for Pima Vocational High School.
- A decrease of 23.4 FTEs transferred to the Stadium District with the transfer of year-round field maintenance.
- A decrease of 3.9 FTEs transferred to the Stadium District with the transfer of the Kino Ecosystem Restoration Project (KERP).
- A decrease of 0.5 FTEs in various job classifications.

The Kino Sports Complex (formerly Community Resources) was reorganized effective July 1, 2008 and three programs, Las Artes, Teen Center, and Pima Vocational High School were transferred to Community Services. To administer these new programs the following budget authority amounts were moved from Kino Sports Complex to Community Services: \$643,689 for Las Artes; \$645,229 for Teen Center; and \$235,977 for the cost of Pima Vocational High School consultants. Budget authority for the year-round maintenance of the Kino Complex playing fields and the Kino Ecosystem Restoration Project (KERP) was moved to the Stadium District. Transfers of \$1,096,935 for the playing fields and \$196,417 for KERP were made to the Stadium District from the General Fund.

The Recommended Budget includes the fiscal year 2008/09 mid-year 2.5 percent budget reduction of \$115,140.

Additional expenditures of \$64,575 were requested through the zero base budgeting process. This additional funding was not recommended

The partial cost of two Information Technology employees that in fiscal year 2008/09 were charged to the department will not be charged to the department in fiscal year 2009/10 thereby reducing expenditures by \$17,552.

Recommended General Fund revenue sources:

Kino Recreation Program	126,000
Rents/Royalties	25,500
Miscellaneous Collections	1,500
	<u>153,000</u>

Recommended General Fund capital expenditures:

Comments/Issues

As part of the zero base budget process, the department identified services provided within their programs and built their budget based on the actual cost of services. Justifications for line item requests and positions within each service were provided.

FTEs in the department increased by 0.5, or 3.3 percent. Factors contributing to this net increase include:

- The funding of one existing position (Office Support Level III) that was not funded in fiscal year 2008/09 to reflect actual existing staffing levels.
- The reduction in hours of one position (Senior Clerk - Unclassified) to half time to reflect actual existing staffing needs.

The Recommended Budget includes the fiscal year 2008/09 mid-year 2.5 percent budget reduction of \$24,726.

Additional expenditures of \$81,952 were requested through the zero base budgeting process. This additional funding was not recommended.

Federal forest fee revenue is from a congressional act mandating the sharing of fees collected by the federal government for various mining, timber harvesting, and other activities on National Forest Reserve Land. The funds are allocated to the public schools and public roads where the national forest reserves are located. The revenue increase this year is due to changes in federal law.

The following Supplies & Services amounts are budgeted for school district elections expenses paid by the department on behalf of the school districts: Non Medical Professional Services \$219,758; Postage & Freight \$12,027; Advertising \$6,976; and Printing and Microfilming \$1,239. The total amount of these expenses, \$240,000, is reimbursed by the school districts.

Recommended General Fund revenue sources:

Federal Forest Fees	73,213
School District Elections Reimbursements	<u>240,000</u>
	313,213

The department submitted no requests for supplemental funding.

Comments/Issues

As part of the zero base budget process, the department identified services provided within their programs and built their budget based on the actual cost of services. Justifications for line item requests and positions within each service were provided.

FTEs in the department increased by 26.1, or 567.4 percent. Factors contributing to this net increase include:

- The addition of 27.3 FTEs, mainly Trades Maintenance positions, transferred from the Kino Sports Complex. This transfer was the result of the decision to budget all playing fields maintenance and Kino Ecosystem Restoration Project (KERP) costs in the Stadium in fiscal year 2009/10. Note that in past years personal services costs for the playing fields were budgeted in the Kino Sports Complex (formerly Community Resources) and a portion of these costs were billed to the Stadium through Interdepartmental Salaries.
- Decrease of 1.2 FTEs in various job classifications.

Pursuant to the Intergovernmental Agreement between Pima County and the Pima County Stadium District for Personnel and Services Contract No. 01-57-P-132729-0603 (dated June 17, 2003, recorded in Docket 12080 at Page 213 on June 26, 2003), employees performing work for the Pima County Stadium District are Pima County employees assigned to do work for the Pima County Stadium District. For budgetary purposes only, these employees are shown as FTEs within the Pima County Stadium District. The actual status of these employees during the course of the Intergovernmental Agreement will continue to be as Pima County employees, subject to the Pima County Personnel Policies and Merit Rules. This Agreement terminates on February 1, 2012.

During fiscal year 2008/09 the Stadium District received \$5,000,000 as payment for the release of the Chicago White Sox from their spring training contract at the Stadium. In fiscal year 2009/10, \$1,700,000 of the proceeds is budgeted in contingency for the creation of Youth Tournament/Stadium Development.

Legislation from the state of Arizona (A.R.S. 42-6108) allowing the County to increase its transient lodging excise (hotel/motel) tax from 2% to 6% became effective on August 12, 2005. In response to this legislation, the Board of Supervisors approved the increase of the County's hotel/motel tax rate to 6% starting on January 1, 2006. Hotel/motel tax revenues are to be distributed to the Metropolitan Tucson Convention and Visitors Bureau (50%), the Stadium District (34%), and the Economic Development & Tourism Department (16%).

Hotel/motel tax collections are projected to decrease \$686,221 in fiscal year 2009/10 from the budgeted amount in fiscal year 2008/09 budget due to the economic slow-down.

Based on Arizona Department of Revenue projections, the fiscal year 2009/10 car rental surcharge revenue is expected to decrease by \$504,000 from the fiscal year 2008/09 adopted amount. The fiscal year 2009/10 RV space surcharge revenue is expected to decrease \$126,000 from the fiscal year 2008/09 adopted amount. Spring Training revenue is expected to decrease \$456,500 from the fiscal year 2008/09 adopted amount. The Sidewinders AAA baseball contract terminated and decreased revenue by \$41,803. Income from events is expected to increase \$27,500 over the fiscal year 2008/09 adopted amount.

The fiscal year 2009/10 Stadium debt service payment is \$3,012,935, which includes \$5,600 in fiscal charges.

All costs for the maintenance of the practice fields are budgeted in the Stadium in fiscal year 2009/10. In prior fiscal years, costs were budgeted in both Kino Sports Complex and the Stadium District. This is the primary reason for the increase in personal services, as well as supplies, services, and capital.

Operating transfer from the General Fund to the Stadium of \$1,096,035 and \$196,417 will be made for practice fields maintenance and KERP respectively.

Capital costs have increased \$189,900 over fiscal year 2008/09 for a number of deferred capital purchases budgeted in fiscal year 2009/10.
