MATCHLINE
WEST BRANCH CONNECTION AREA
ALL PATHWAY AND RELATED DEVELOPMENT IN THIS AREA IS SUBJECT TO COMPLETION OF THE NEW AJO WAY (SR 86) BRIDGE AND RAMPS. THE ASSOCIATED BICYCLE / PEDESTRIAN UNDERPASS ARE TO BE CONSTRUCTED BY THE ARIZONA DEPARTMENT OF TRANSPORTATION (ADOT) AS PART OF THE NEW AJO WAY BRIDGE PER ONGOING NEGOTIATIONS BETWEEN ADOT AND PIMA COUNTY.
IT IS PIMA COUNTY'S INTENT TO CONSTRUCT THE PATHWAY NORTH OF THE UNDERPASS AND TO COORDINATE WITH ADOT TO ENSURE THE CONSTRUCTION OF A GRADE-SEPARATED CROSSING BELOW AJO WAY. THE SCHEDULE FOR ADOT'S COMPLETION OF THE PROPOSED BRIDGE IMPROVEMENTS IS CURRENTLY UNDER DEVELOPMENT AND A DATE HAS NOT YET BEEN SPECIFIED.
THE WEST BRANCH CONNECTION AREA HAS BEEN CANCELLED DUE TO A PRIVATE PROPERTY OWNER UNWILLING TO SELL THE LAND NECESSARY FOR THE PATH / CORRIDOR.
