**Subject: Pima County's Floodplain and Erosion Hazard Management Ordinance**

Dear Mr. Guymon:

The enclosed Information Sheet briefly describes some of the more substantive revisions being proposed to the Pima County Floodplain and Erosion Hazard Management Ordinance (No. 2005 FC-2). The revisions are designed to update the ordinance and clarify procedures necessary for effective floodplain management. The proposed ordinance revisions can be found in their entirety by visiting the Regional Flood Control District's website at: [www.rfcd.pima.gov](http://www.rfcd.pima.gov).

As these revisions will go to the Pima County Board of Supervisors for their approval, we would be interested in meeting with you and members of the Metropolitan Pima Alliance in order to discuss the changes, if you so desire. We are also asking your assistance in distributing the information sheet to your members via email and/or your website.

If you have any questions, please contact Ann Donohue at 243-1800 to schedule a meeting or a presentation.

We are looking forward to meeting with you soon.

Sincerely,

A handwritten signature in cursive script that reads "Suzanne Shields".

Suzanne Shields, P.E.  
Director and Chief Engineer
