# A legal plan for all the stages of your life.

Ultimate Advisor

In today's world, no matter where you are in your life – starting your first job, retiring, or somewhere in between – you are almost certain to experience legal life events that have potential legal ramifications.

In fact, 7 out of 10 Americans have experienced one or more legal events in the past year, yet only 1 in 4 Americans has a plan to pay for legal expenses that occur.<sup>1</sup> Where can you prevent a legal matter from impacting your life? Who will you turn to when an unexpected legal matter happens to you or your family?

With a legal plan from ARAG® you have the professional legal help you need to **prevent** and **resolve** legal and financial matters. This empowers you to protect your family, finances and future.

## What is a Legal Plan?

A legal plan, often referred to as legal insurance, is based on traditional healthcare insurance. Employees enroll directly through their employer or association and pay an affordable premium to receive quality, affordable and accessible resources – including Network Attorneys – to resolve everyday legal matters.

## A Lifelong Benefit for You<sup>2</sup>

ARAG realizes that your priorities, assets and property change at different life stages. That is why our legal plans are designed to cover the everyday legal matters of each generation and lifestyle.<sup>2</sup>
