

CLAY/POTTERY

Clay Fun-damentals

This is a pre-requisite for most clay classes at Northwest Art Center

Instructor: Jada Ahern BFA

All students new to Northwest Art Center clay classes must take this class prior to registering for weekly clay classes. Get familiar with basic clay fundamentals: hand building, sculpture, throwing on the potter's wheel, glazing, and firing. You will also learn about the inner workings of a clay studio. Check clay out in this class for adults who are interested in experimenting with clay for the first time (experienced welcome too). This is a great opportunity to have fun and experience the transformational qualities of clay. Participants will create clay projects which can be picked up after they have been fired. Invite a friend or relative to join you. Materials fee of \$15 is payable to instructor at first class meeting.
