# PAINT OUT IN THE PARKS

PIMA COUNTY  
NATURAL RESOURCES,  
PARKS AND RECREATION

## PAINT OUT IN THE PARKS

Join in the *Paint Out in the Parks* to learn some techniques for painting landscape scenes in the open air. Plein air artists paint in the open air attempting to quickly capture the changing light, shadows, and colors of the landscape. It takes about 1½ – 2 hours to capture the essence of the scene in a plein air painting.

Pima County Natural Resources, Parks and Recreation works in partnership with the Tucson Plein Air Painters Society (TPAPS) to host the *Paint Out in the Parks* series.

The Tucson Plein Air Painters Society is an all-volunteer, non-profit organization that promotes the arts for educational purposes in the community. For more information about plein air painting, visit the Tucson Plein Air Painters Society website at [www.tpaps.com](http://www.tpaps.com).

The selected park locations offer diverse natural and historic features from pristine desert landscapes, to sweeping mountain views, lush riparian habitats, and historic ranches. Experienced and novice artists are invited to “paint out” on their own or to participate in a plein air painting demonstration or critique sessions led by one of the TPAPS Signature Artists.

The paint out demonstrations and critique sessions are free and recommended for ages 12 and up. Anyone of any age is welcome to stop by and observe the artists as they paint out in the park.
