## Wade McLean StarBabies/StarTots:

For ages 18 months to 3½ years old, and must have an adult in the water with them. This introductory child swim class is where parents are taught how to help their child become comfortable in the water by: Getting face wet and blowing bubbles, floating on back, jumping in and submerging, locomotion on front and back with kicking and pulling. This class is extremely beneficial to comfortability of a child in the water, but is not a prerequisite for Starfish Swim Lessons.
