

Complete List of Loop Guidelines

Thank you for using the Loop Trail System: Consideration and polite behavior are essential in order to ensure the enjoyment of all trail users and protection of our natural resources.

All Trail Users

- Cyclist must yield to pedestrians and equestrians
- Cyclist may ride two abreast at most if you will not block other trail traffic. Otherwise ride single file.
- Control your speed. Trails are not an appropriate place for high speed riding (Limit your speed to 12 MPH or less).
- Pets must be kept under control, not cross the center line, and on leashes less than 6-foot length at all times.
- Announce your intentions “passing” or other audible warnings (ring a bell) when you are approaching to pass from behind.
- Stay to the right and pass on the left. Always look before changing positions on the trail. Anticipate other trail users around corners or in blind spots.
- When traveling in a group, trail users should travel single file when passing others and never occupy space to the left of the centerline unless passing.
- No motorized vehicles or devices allowed (ADA accessibility and official vehicles are exempt)
- Cyclists must be prepared to stop at any time.
- Treat all trail users with respect and courtesy regardless of their sport, speed, or skill level.
- The Loop is open dawn to dusk, night time use is prohibited
- Obey all rules, regulations and guidelines as posted
- No alcohol, camping, fires or littering.
- Don't place household trash in the trail trash containers
- No destruction, damage or removal of Pima County property
- Ingress to and egress from the trail should only occur at authorized trailheads and access points
- All users must stay on designated trails and rest areas
- Users should not stop on or block the trail. Single file travel required for larger groups.
- Be aware of people with disabilities and be respectful of their needs. All trail users should yield to people with disabilities.
- Maintain full awareness of your surroundings. The use of devices such as headphones that restrict your ability to maintain this awareness is strongly discouraged.
- Slowdown in congested areas.
- Carry out all litter, clean up and properly dispose of all pet waste.
- Avoid sudden stops and last minute turns on the trail.
- Make sure your horse has the temperament and training for riding on congested trails.
- Let other trail users know when it is safe to pass your horse.
- Any commercial activity on the Loop is prohibited unless such activity is properly permitted. Organized special uses on the loop require prior permission.
- Trail conditions subject to change. Verify conditions prior to use. Use trail at your own risk.
