

Must Attend Workshop for Anyone Building or Developing Land in Pima County

WHEN

Tuesday, November 29, 2016 from 1pm - 4pm

WHERE

TAR Large Conference Room | 2445 N Tucson Blvd

HOSTED BY:

Learn about Pima County's new Certificate of Coverage program launching in January 2017 that offers private landowners streamlined compliance with the Endangered Species Act through the County's Section 10 permit.

This workshop will provide an overview of the program, including:

- Benefits of participation
 - Eligibility requirements
 - Activities covered under a Certificate of Coverage
 - Application process for those projects requiring a Pima County building permit
 - Application process for those projects requiring a Pima County site construction permit
-

Please RSVP to steve@tucsonrealtors.org by November 28, 2016.
