

Pima County Wireless Integrated Network (PCWIN)

New Member Application

PCWIN is a public safety/public service digital trunked radio network and cooperative. While it is our intent to accommodate the voice radio needs of as many organizations as possible, a deliberate discovery and planning process is required to ensure a prospective member's participation meets the needs and intent of PCWIN. Please fill out the following application with as much detail as possible. This information will be used to determine the best level of participation for your agency and whether any fees will be assessed.
