

## Maintenance Bulletin # 20140720

**Effective Date: Sunday, July 20, 2014**

**Effective Hours: 0400 - 1200**

The Pima County Information Technology Department (ITD) will be performing routine maintenance on all network equipment in the ITD Data Centers located on the 6th floor of the Admin West Building and Pima Emergency Communications and Operations Center at 3434 E. 22<sup>nd</sup> St.

During this time, the following PCWIN applications will be intermittently available to agencies outside of the Pima County Emergency Communications Center (PECOC) . Access to the NICE Logging Recorder for agencies within PECOC will not be affected.

Intermittent availability include:

- CommSHOP 360 (Client and Web access)
- NICE Logging Recorder (Radio transmissions will continue to be recorded)
- E-mail to [pima.gov](http://pima.gov) addresses including [pcwin@pima.gov](mailto:pcwin@pima.gov)

Emergencies can continue to be reported to PCWIN at 724-7200.
