**SOLICITATION No. 197940, COMMISSIONING SERVICES QUALIFIED CONSULTANTS LIST
ADDENDUM No. 1**

Please be advised of the additions, clarifications and/or changes to the above-referenced Solicitation for Qualifications as stated in this Addendum. This Addendum is 1 page.

CHANGES TO THE SOLICITATION DOCUMENT:

CHANGE: REQUIRED SUBMITTAL INFORMATION AND EVALUATION CRITERIA, SECOND SENTENCE OF FIRST PARAGRAPH AS FOLLOWS:

FROM: "The suggested page count for SOQ is eighteen (18) pages"

TO: "The suggested page count for SOQ is eighteen (18) single sided pages."

CHANGE: ATTACHMENT 1 COMMISSIONING FIRM EXPERIENCE, ITEM No. 10 AS FOLLOWS:

FROM: "Are the TAB technicians TBE certified by the Associated Air Balance Council (AABC)?
_____."

TO: "Are the TAB technicians TBE certified? Yes ___ No ___ Indicate Certification Below:
Associated Air Balance Council (AABC) _____
National Environmental Balancing Bureau (NEBB) _____
Other _____."

CLARIFICATIONS/ANSWERS TO RESPONDENTS:

Q1: In terms of the Small Local Preference, does it have to be an Engineer or an Architect to qualify for the preference points?

A1: The Small Local Preference points are given to the responding commissioning firm.

Questions or requests for clarification received less than seven calendar days before the solicitation due date may not receive a response.

All other specifications, terms and conditions, not specifically changed by this Addendum will remain the same.
