Question

Do we need to sign/return the Acknowledgement of Confidential Information form included with Addendum No. 1 if we already have a copy of the report?

No.

Question

Is Phase I and Phase II excavation required for Parcel #10310002A, the triangular area currently owned by TEP that is slated as a parking area and bordered on the North by Sweetwater Drive?

At this time, this is to be determined. Once the Contract is awarded, design will have progressed enough to make the determination of what mitigation will be needed in this area.

Question

Will the Consulting firm be responsible for providing fencing around the excavations?

Pima County will work with the successful Consultant to determine fencing responsibilities.

Question

Please provide a statement regarding how the County views the 'suggested' page length in the proposal.

Per 4.1.2, suggested page count for the Statements of Qualifications shall be Thirty (30) printed pages. A firm will not be deemed nonresponsive should the SOQ exceed 30 pages, however, per Section 3.8, up to ten (10) points may be deducted for exceeding the suggested page count.

All other requirements and terms of the Solicitation remain unchanged. Failure to include acknowledgement of all addenda in the introductory letter may be cause for rejection. All questions should be received by 5:00 p.m., November 13th, 2015 to ensure a response, and shall be addressed in writing to Matt Sage, Contracts Officer, via email (Mathew.sage@pima.gov) or fax (520-770-4013).

This addendum is a total of 2 pages.
