Please answer all questions with as much specificity as possible. Please use and attach additional sheets, sketches, maps, as necessary if additional explanation or clarification is warranted.

1. Please describe in detail which portion or portions of the Property Proposer proposes to occupy in connection with its Proposed Use. Please attach a map or sketch if possible.

2. Please set forth with reasonable specificity all experience and expertise Proposer has with respect to its proposed use of the Licensed Area (as defined in the RFP).

3. Please set forth with reasonable specificity Proposer's financial ability to perform its monetary obligations under the License; for example, the ability to make any necessary tenant improvements to the Licensed Area, to pay all rents due under the License, and to pay for all ongoing expenses to be incurred in connection with Proposer's operation within the Licensed Area.

7. Please state what monthly License Fee Proposer proposes to pay to County for its occupation and use of the Licensed Area during the term of the License.

8. Please list the desired term of the License which Proposer intends to enter into with County and please list the desired start date of the License.

9. Please describe, to the extent possible, the potential of the Proposed Use to exist synergistically with other Proposed Uses by other potential Licensees of the Property.
