

Pima County

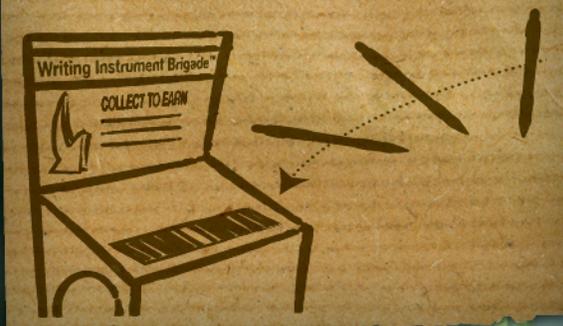

Is supporting a Writing Instrument Recycling Program
We will be collecting all brands of writing instruments!

Together we're pledging to keep the pens, pencils and markers we use every day out of landfills. Through upcycling, **TerraCycle**® will create fun and innovative goods from the **Sharpie**®, **Paper Mate**® and **EXPO**® products used in your workplace.

Brands That Matter

1. Set up your drop box.

2. Collect and send.

3. Earn a donation.

4. Give your well-loved pens another purpose.

Contact Mandy.Armenta@pima.gov for more information and helpful tips that will make your collections a success, each and every time.
