

### Always Show Courtesy When Passing Other Path Users

**Bicyclists:** On a shared-use pathway always slow down when approaching other trail users, give a verbal warning such as "Passing!" when you are about to pass, and provide at least 5 feet passing distance. Always yield to oncoming traffic.

*Bicycle bells are a polite way to alert people to your presence!*

**Pedestrians:** Please watch and listen for cyclists and provide space on the path for them to pass safely. Don't suddenly stop or change direction on the path.

## The Loop

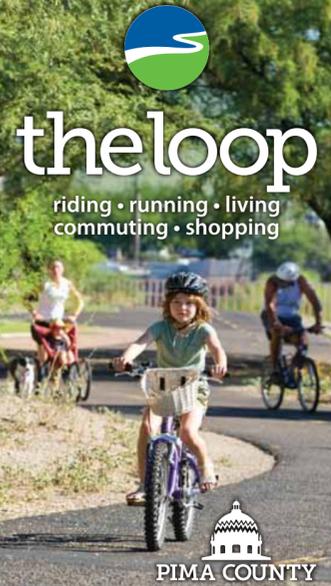

When completed, The Loop will be a 130-mile system of shared use paths and short segments of bike lanes connecting the Rillito, Santa Cruz, and Pantano River Parks with the Julian Wash and Harrison Road Greenways. More than 110 miles of paths have already been completed. The Loop will extend through Marana, Oro Valley, Tucson, and South Tucson. These exciting connections are the result of Pima County's cooperative partnerships with these jurisdictions.

The Loop will connect parks, trailheads, bus and bike routes, workplaces, restaurants, schools, hotels and motels, shopping areas, and entertainment venues. Visitors and Pima County residents can enjoy The Loop on foot, bikes, skates, and horses. If it doesn't have an engine, it's good to go on The Loop.

The Loop is a work in progress and projects are being completed every day. Stay up-to-date on developments on The Loop by visiting:
