

Cortaro Farms Road/Magee Road: Thornydale Road to Oracle Road Improvement Project

Public Meeting Summary – Oct. 4, 2010

Overview

The Pima County Department of Transportation held a public meeting on Oct. 4, 2010, from 6:30 to 8 p.m. for the Cortaro Farms Road/Magee Road: Thornydale Road to Oracle Road improvement project. The meeting was held at Pima Community College, located at 7600 N. Shannon Road.

The objective of the meeting was to provide information regarding:

- **Phase I:** Schedule (nearing 100% design plans), status of Environmental Assessment and 404 permitting process, review of landscaping, art component suggestions and name changes for roadway segments
- **Phase II:** Schedule update (nearing 60% design plans)
- **Phase III:** Design process

The public meeting was held immediately following a Community Advisory Committee meeting, and followed an open house format for the first 15 minutes. Project Manager Paul Bennett gave a brief overview of the project phases and schedule, after which, the meeting returned to an open house format until 8 p.m. Project representatives were available to discuss individual concerns, and attendees were encouraged to complete comment forms. Various display boards showing the overall corridor, typical roadway sections, the recommended alternative for the La Cholla Boulevard and Magee Road intersection, landscaping for Phase I, 60 percent design for Phase II, artwork suggestions and tentative schedule were available to assist in the discussions.
