

# make **ART** not **graffiti**

## poster contest

If you're 9 to 18 years old, create your own artwork to show how graffiti negatively affects our community and discourages graffiti activity.

**Show off your art,  
help Pima County fight  
graffiti and win prizes!**

The winner will get a \$100 gift card!  
Four runners-up will get \$25 gift  
cards. The deadline to submit art is

**Friday, October 16.**

If your artwork wins, it will be used to design  
a poster that will be distributed to public  
libraries, local schools and community events.
