

FILING PROCEDURES FOR PARTISAN CANDIDATES

The first step in becoming a candidate is to file either a \$500 Threshold Exemption Statement or a Statement of Organization with the Pima County Elections Office. **One of these forms must be filed with our office prior to obtaining signatures.**

\$500 Threshold Exemption Statement - If a political committee or candidate intends to accept contributions or make expenditures of \$500 or less, this form needs to be filed before making any expenditures or accepting any contributions. A committee or candidate that files this form is not required to file campaign finance reports.

Statement of Organization – If a political committee or candidate intends to accept contributions or make expenditures of more than \$500, this form can be filed instead of the \$500 Threshold Exemption Statement, or after discovering expenditures or contributions will be greater than \$500. A committee or candidate that files this form will be required to file periodic campaign finance reports using the Pima County Campaign Finance Software.
