

FIREARM SAFETY AND INSTRUCTION

Growing up Gun Safe

Instructor: Dan Southard, Victoria Willhite, Brian Kowalski, Sharon Varble and Phil Wong

Do you own firearms and/or have kids? We'll go over safety with handguns, shotguns and rifles in this class. In this class we take the mystery out of the firearm so that your child knows it is a lethal device and not a toy. Half of the class is spent in the classroom going over safety rules and answering any questions. Half of the class is on the range shooting. Parents must accompany their child. Please visit www.gatorfarmtactical.com for more detailed class descriptions and equipment lists.
