EVENT COORDINATOR APPLICATION

Please print or type the information requested below and return the completed application by mail, email, or fax to CHFS. Each food vendor must complete the Application for Permit to Operate a Temporary Food Establishment. If a vendor does not have a permit, they will be asked to discontinue food service. The vendor application(s) MUST be submitted to CHFS and paid for at least 14 days prior to the event to avoid a late fee. Event coordinator applications must be submitted 30 days prior to an event to allow vendors enough time to submit their applications. No vendor applications will be taken without an event coordinator application. Event coordinator applications are due yearly. The coordinator is responsible for timely submission of all applications and ensuring vendors at the event follow the Pima County Food Code. Event coordinator permits are $60 annually.
